Public Offering

On November 16, 2023, Richtech Robotics Inc. (the “**Company**”) entered into an underwriting agreement (the “**Underwriting Agreement**”) with R.F. Lafferty & Co., Inc., acting as representative of the underwriters (the “**Representative**”). Pursuant to the Underwriting Agreement the Company agreed to sell to the underwriters in a firm commitment underwritten initial public offering (the “**Offering**”) an aggregate of 2,100,000 shares (the “**Shares**”) of the Company's Class B common stock, par value \$0.00001 per share (the “**Common Stock**”) at a price of \$5.00 per share. On November 21, 2023, the Company consummated the Offering, generating gross proceeds of \$10.5 million. The Common Stock is listed on the Nasdaq Capital Market under the trading symbol “RR.”

The Company has granted the Representative the option (“**Over-allotment Option**”), exercisable for 45 days from November 16, 2023, to purchase up to an additional 315,000 shares from the Company at the Offering price less the underwriting discount and commissions to cover over-allotments.

The Shares were offered by the Company pursuant to registration statements on Form S-1, as amended (File Nos. 333-269470 and 333-275612), filed with the Securities and Exchange Commission (the “**Commission**”), which were declared effective by the Commission on November 13, 2023 (as amended, the “**Registration Statement**”).

The Underwriting Agreement contains customary representations and warranties that the parties made to, and solely for the benefit of, the other party in the context of all of the terms and conditions of that agreement and in the context of the specific relationship between the parties. The Company has also agreed that it will not, without the prior written consent of the Representative, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares or any securities convertible into or exercisable or exchangeable for shares, of the Company for a period of 180 days following the closing date, other than certain exempt issuances.

Representative's Warrant

Pursuant to the Underwriting Agreement, the Company issued to the Representative and its designee warrants (the “**Representative's Warrants**”) to purchase 105,000 shares of Common Stock. In the event the Representative exercises its Over-Allotment Option, the Representative will be entitled to purchase an additional 15,750 shares of Common Stock. The Representative's Warrants will be exercisable at a per share exercise price equal to \$6.00 and are exercisable at any time and from time to time, in whole or in part, during the period commencing on May 21, 2024, and terminating on November 21, 2028. Neither the Representative's Warrants nor any of the shares issued upon exercise of the Representative's Warrants may be sold, transferred, assigned, pledged or hypothecated, or be the subject of any hedging, short sale, derivative, put or call transaction that would result in the effective economic disposition of such securities by any person, for a period of six (6) months immediately following the commencement of sales of the offering. The Representative's Warrants also provides for one demand registration right of the shares underlying the Representative's Warrants at the Company's expense; one additional demand registration at the warrant holders' expense; and unlimited “piggyback” registration rights. The registration rights will only be exercisable within a period of five years after November 16, 2023. The Representative's Warrants also contain customary anti-dilution provisions.

As representatives of the several Underwriters named in Schedule A hereto.

Ladies and Gentlemen:

Richtech Robotics Inc., a Nevada corporation (the “**Company**”), hereby confirms its agreement (this “**Agreement**”) with R. F. Lafferty & Co., Ltd. (the “**Representative**”) of several underwriters as disclosed in Schedule A attached hereto and the term Representative as used herein shall have the same meaning as underwriter, collectively the “**Underwriters**” and each an “**Underwriter**”) to issue and sell to the Underwriters an aggregate of 2,100,000 Class B common stock, par value \$0.00001 per share, of the Company (“**Firm Shares**”). The Company also agrees to issue and sell to the Underwriters not more than an additional 315,000 shares of its Class B common stock, par value \$0.00001 per share (the “**Option Shares**”), if and to the extent that the Representatives shall have determined to exercise, on behalf of the Underwriters, the right to purchase such shares of Class B common stock granted to the Underwriters in Section 1 hereof. The Firm Shares and the Option Shares are hereinafter collectively referred to as the “**Securities**.” The offering and sale of securities contemplated by this Agreement is referred to herein as the “**Offering**.”

1. Purchase and Sale of Shares.

(a) Purchase of Firm Shares. On the basis of the representations and warranties herein contained, but subject to the terms and conditions herein set forth, the Company agrees to issue and sell to the Underwriters an aggregate of 2,100,000 Firm Shares at a purchase price (net of underwriting discounts) of \$5.00 per share. The Underwriters agrees to purchase from the Company the Firm Shares set forth opposite its name on Schedule A attached hereto and made a part hereof.

(b) Delivery of and Payment for Firm Shares. Delivery of and payment for the Firm Shares shall be made at 10:00 A.M., Eastern time, on the third (3rd) Business Day following the date of this Agreement or at such time as shall be agreed upon by the Underwriters and the Company, at the offices of VCL Law LLP (the “**Underwriters’ Counsel**”) or at such other place as shall be agreed upon by the Underwriters and the Company. The hour and date of delivery of and payment for the Firm Shares is called the “**Closing Date**.” The closing of the payment of the purchase price for, and delivery of certificates representing, the Firm Shares is referred to herein as the “**Closing**.” Payment for the Firm Shares shall be made on the Closing Date by wire transfer in Federal (same day) funds upon delivery to the Underwriters of certificates (in form and substance reasonably satisfactory to the Underwriters) representing the Firm Shares (or if uncertificated through the full fast transfer facilities of the Depository Trust Company (the “**DTC**”)) for the account of the Underwriters. The Firm Shares shall be registered in such names and in such denominations as the Underwriters may request in writing at least two (2) Business Days prior to the Closing Date. If certificated, the Company will permit the Underwriters to examine and package the Firm Shares for delivery at least one (1) full Business Day prior to the Closing Date. The Company shall not be obligated to sell or deliver the Firm Shares except upon tender of payment by the Underwriters for all the Firm Shares.

(c) The Company hereby agrees to issue and sell to the Underwriters the Option Shares, and the Underwriters shall have the option to purchase, severally and not jointly, in whole or in part, the Option Shares from the Company (the “**Over-Allotment Option**”), in each case, at a price per share equal to the Purchase Price less an amount per share equal to any dividends or distributions declared by the Company and payable on the Firm Shares but not payable on the Option Shares (the “**Over-Allotment Option Purchase Price**”). The Company and the Underwriters agree that the Underwriters may only exercise the Over-Allotment Option for the purpose of covering over-allotments made in connection with the offering of the Firm Shares. The Representative may exercise the Over-Allotment Option on behalf of the Underwriters at any time in whole, or from time to time in part, on or before the forty-fifth (45th) day after effective date of the Registration Statement (the “**Effective Date**”), by giving written notice to the Company (the “**Over-Allotment Exercise Notice**”). Each exercise date must be at least one (1) business day after the written notice is given and may not be earlier than the Closing Date nor later than ten (10) business days after the date of such notice. On each day, if any, that the Option Shares are to be purchased, each Underwriter agrees, severally and not jointly, to purchase the number of the Option Shares (subject to such adjustments to eliminate fractional shares as the Representative may determine) that bears the same proportion to the total number of the Option Shares to be purchased on such Additional Closing Date as the number of Firm Shares set forth in Schedule A hereto opposite the name of such Underwriter bears to the total number of the Firm Shares. The Representative may cancel any exercise of the Over-Allotment Option at any time prior to the applicable Additional Closing Date, by giving written notice of such cancellation to the Company. The Over-Allotment Exercise Notice shall set forth: (i) the aggregate number of Option Shares as to which the Over-Allotment Option is being exercised; (ii) the Over-Allotment Option Purchase Price; (iii) the names and denominations in which the Option Shares are to be registered; and (iii) the applicable Additional Closing Date. Payment for the Option Shares (the “**Option Shares Payment**”) shall be made, against delivery of the Option Shares to be purchased, by wire transfer in immediately available funds to the account(s) specified by the Company to the Representative at least two (2) business days in advance of such payment. The closing of the payment of the purchase price for, and delivery of certificates representing, the Option Shares shall occur at the office of VCL Law LLP or at such other place on the date and time designated in writing by the Representative (an “**Additional Closing Date**”). Delivery of the Option Shares shall be made through the facilities of DTC, unless the Representative shall otherwise instruct.

(s) Officers' Certificate. Any certificate signed by any duly authorized officer of the Company and delivered to you or to Underwriters' Counsel shall be deemed a representation and warranty by the Company to the Underwriters as to the matters covered thereby.

(t) Lock-Up Period.

(i) Each Insider, beneficial owner holding 5% or more of the Company outstanding Class A or Class B common stock (or securities convertible into common stock), and the investors holding Private Placement Shares as defined in the Registration Statement (collectively, the "**Lock-Up Parties**") have agreed pursuant to executed Lock-Up Agreements in the form attached hereto as Annex IV that for a period ending one hundred and eighty (180) days after the effective date of the Registration Statement (the "**Lock-Up Period**"), such persons and their affiliated parties shall not offer, pledge, sell, contract to sell, grant, lend or otherwise transfer or dispose of, directly or indirectly, any Securities or capital stock of the Company, including common stock, or any securities convertible into or exercisable or exchangeable for such Securities or capital stock, without the consent of the Underwriters, with certain exceptions. The Underwriters may consent to an early release from the applicable Lock-Up period if, in its opinion, the market for the Securities would not be adversely impacted by sales and in cases of financial emergency of an Insider or other stockholder.

(ii) The Company has agreed that, without the prior written consent of the Underwriters, it will not, for a period ending one hundred and eighty (180) days from the date of commencement of sales of this offering, (A) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of capital stock of the Company or any securities convertible into or exercisable or exchangeable for shares of capital stock of the Company; (B) file or cause to be filed any registration statement with the Commission relating to the offering of any shares of capital stock of the Company or any securities convertible into or exercisable or exchangeable for shares of capital stock of the Company or (C) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of capital stock of the Company, whether any such transaction described in clause (A), (B) or (C) above is to be settled by delivery of shares of capital stock of the Company or such other securities, in cash or otherwise. The restrictions contained in this Section 2(t)(ii) shall not apply to (D) the Securities to be sold hereunder, (E) the issuance by the Company of Securities upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof of, provided that the Underwriters have been advised in writing of such issuance prior to the date hereof, (F) the issuance by the Company of option to purchase or shares of Securities, capital stock or restricted stock of the Company under any stock compensation plan of the Company outstanding on the date hereof, or (iv) any registration statement on Form S-8. For purposes of subclause (E) in this paragraph, the Underwriters acknowledge that disclosure in the Registration Statement filed prior to the date hereof of any outstanding option or warrant shall be deemed to constitute prior written notice to the Underwriters.

(u) Subsidiaries. Exhibit 21.1 of the Registration Statement lists all the subsidiaries of the Company and sets forth the ownership of all of the subsidiaries (“Subsidiaries”). The Subsidiaries are duly organized and in good standing under the laws of the place of organization or incorporation, and each subsidiary is in good standing in each jurisdiction in which its ownership or lease of property or the conduct of business requires such qualification, except where the failure to qualify would not reasonably be expected to have a Material Adverse Effect. The Company’s ownership and control of each subsidiary is as described in the Registration Statement, the Disclosure Materials and the Prospectus. The Company does not own or control, directly or indirectly, any corporation, association or entity other than the Subsidiaries described in the Registration Statement, the Disclosure Materials and the Prospectus. Each of the Company and the Subsidiaries has full corporate power and authority to own or lease, as the case may be, and to operate its properties and conduct its business as described in the Disclosure Materials and the Prospectus, and is duly qualified to do business under the laws of each jurisdiction which requires such qualification.

(v) Related Party Transactions. Except as disclosed in the Registration Statement and the Prospectus, there are no business relationships or related party transactions involving the Company or any other person required to be described in the Prospectus that have not been described as required.

(w) Board of Directors. The Board of Directors of the Company is comprised of the persons set forth under the heading of the Prospectus captioned “Management.” The qualifications of the persons serving as board members and the overall composition of the board comply with the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder applicable to the Company and the rules of Nasdaq. At least one member of the Board of Directors of the Company qualifies as an “audit committee financial expert” as such term is defined under the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder and the rules of Nasdaq. In addition, at least a majority of the persons serving on the Board of Directors qualify as “independent” as defined under the rules of Nasdaq.

(x) Sarbanes-Oxley Compliance. Except as described in the Registration Statement, the Disclosure Materials, and the Prospectus, the Company has taken all necessary actions to ensure that, on the Effective Date, will be in material compliance with the provisions of the Sarbanes-Oxley Act of 2002 applicable to it and has implemented or will implement such programs and taken reasonable steps to ensure the Company’s future compliance (not later than the relevant statutory and regulatory deadlines therefor) with all the material provisions of the Sarbanes-Oxley Act of 2002.

(y) No Investment Company Status. The Company is not and, after giving effect to the Offering and sale of the Securities and the application of the net proceeds thereof as described in the Registration Statement and the Prospectus, will not be, an “investment company” as defined in the Investment Company Act of 1940, as amended.

(z) No Material Labor Disputes. No labor dispute with the employees of the Company or any of its Subsidiaries exists or, to the best of the Company's knowledge, is imminent, which would result in a Material Adverse Effect.

(aa) Intellectual Property. Except as described in the Registration Statement and the Prospectus, the Company and each of its Subsidiaries owns or possesses or has valid rights to use all patents, patent applications, trademarks, service marks, trade names, trademark registrations, service mark registrations, copyrights, licenses, inventions, trade secrets and similar rights ("**Intellectual Property**") necessary for the conduct of the business of the Company and its Subsidiaries as currently carried on and as described in the Registration Statement and the Prospectus, except for such Intellectual Property, the failure of which to own or possess, as the case may be, would not reasonably be expected to result in a Material Adverse Effect. To the best of the Company's knowledge, no action or use by the Company or any of its Subsidiaries will involve or give rise to any infringement of, or material license or similar fees for, any Intellectual Property of others, that would reasonably be expected to have a Material Adverse Effect on the Company and the Subsidiaries, taken as a whole, except as disclosed in the Registration Statement. Neither the Company nor any of its Subsidiaries has received any notice alleging any such infringement or fee, except such infringement or fee that would not reasonably be expected to have a Material Adverse Effect on the Company or the Subsidiaries, taken as a whole.

(bb) Taxes. Each of the Company and its Subsidiaries has filed all returns (as hereinafter defined) required to be filed with taxing authorities prior to the date hereof or has duly obtained extensions of time for the filing thereof. Each of the Company and its Subsidiaries has paid all taxes (as hereinafter defined) shown as due on such returns that were filed and has paid all material taxes imposed on or assessed against the Company or such subsidiary. The provisions for taxes payable, if any, shown on the financial statements filed with or as part of the Registration Statement are sufficient for all accrued and unpaid taxes, whether or not disputed, for all periods to and including the dates of such consolidated financial statements. Except as disclosed in writing to the Underwriters and to the knowledge of the Company, (i) no material issues have been raised (and are currently pending) by any taxing authority in connection with any of the returns or taxes asserted as due from the Company or its Subsidiaries, and (ii) no waivers of statutes of limitation with respect to the returns or collection of taxes have been given by or requested from the Company or its Subsidiaries. The term "**taxes**" mean all federal, state, local, foreign, and other net income, gross income, gross receipts, sales, use, ad valorem, transfer, franchise, profits, license, lease, service, service use, withholding, payroll, employment, excise, severance, stamp, occupation, premium, property, windfall profits, customs, duties or other taxes, fees, assessments, or charges of any kind whatever, together with any interest and any penalties, additions to tax, or additional amounts with respect thereto. The term "**returns**" means all returns, declarations, reports, statements, and other documents required to be filed with relevant taxing authorities in respect to taxes.

(cc) Data. The statistical, industry-related and market-related data included in the Registration Statement and the Prospectus are based on or derived from sources which the Company reasonably and in good faith believes are reliable and accurate, and such data agree with the sources from which they are derived. The Company has obtained the written consent to the use of such data from such sources to the extent necessary.

(dd) Audit Committee. The Company's Board of Directors has validly appointed an audit committee whose composition satisfies the requirements of the rules and regulations of Nasdaq and the Board of Directors and/or audit committee has adopted a charter that satisfies the requirements of the rules and regulations of Nasdaq. Except as described in the Registration Statement and the Prospectus, neither the Board of Directors nor the audit committee has been informed, nor is any director of the Company aware, of any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information.

(ee) No Integration. Neither the Company nor the Subsidiaries has, prior to the date hereof, made any offer or sale of any securities which are required to be "integrated" pursuant to the Act or the Regulations with the offer and sale of the Underwriters pursuant to the Registration Statement. Except as disclosed in the Registration Statement, neither the Company nor the Subsidiaries has sold or issued any common stock or any securities convertible into, exercisable or exchangeable for common stock, or other equity securities, or any rights to acquire any common stock or other equity securities of the Company, during the six-month period preceding the date of the Prospectus, including but not limited to any sales pursuant to Rule 144A or Regulation D or S under the Act, other than common stock issued pursuant to employee benefit plans, qualified stock option plans or the employee compensation plans or pursuant to outstanding options, rights or warrants as described in the Registration Statement.

(ff) No Restrictions on Dividends. Except as disclosed in the Disclosure Materials, Registration Statement and the Prospectus, no Subsidiary of the Company is currently prohibited or restricted, directly or indirectly, from paying any dividends to the Company, from making any other distribution on such Subsidiary's capital stock, from repaying to the Company any loans or advances to such Subsidiary from the Company or from transferring any of such Subsidiary's property or assets to the Company or any other Subsidiary of the Company.

(gg) Money Laundering. The operations of the Company and the Subsidiaries are and have been conducted at all times in all material respects in compliance with applicable financial recordkeeping and reporting requirements of money laundering statutes and the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the "**Money Laundering Laws**") and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company, or any of its Subsidiaries with respect to the Money Laundering Laws is pending or, to the best of the Company's knowledge, threatened.

(hh) Office of Foreign Assets Control. None of the Company, the Subsidiaries, and any director, officer, or employee of the Company and the Subsidiaries has conducted or entered into a contract to conduct any transaction with the governments or any of subdivision thereof, residents of, or any entity based or resident in the countries that are currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("**OFAC**"); none of the Company or any of its Subsidiaries is currently subject to any U.S. sanctions administered by OFAC (including but not limited to the designation as a "specially designated national or blocked person" thereunder), the United Nations Security Council, or the European Union or is located, organized or resident in a country or territory that is the subject of OFAC-administered sanctions, including, without limitation, Burma/Myanmar, Cuba, Iran, North Korea, Sudan and Syria; and the Company will not knowingly directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC.

(ii) No Immunity. None of the Company, its Subsidiaries, or any of its or their properties or assets has any immunity from the jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution or otherwise) under the laws of the State of Nevada, the State of New York, or United States federal law; and, to the extent that the Company, its Subsidiaries, or any of their respective properties, assets or revenues may have or may hereafter become entitled to any such right of immunity in any such court in which proceedings may at any time be commenced, each of the Company and its Subsidiaries waives or will waive such right to the extent permitted by law and has consented to such relief and enforcement under New York law as provided under this Agreement.

(jj) Choice of Law. Except as disclosed in the Disclosure Materials, Registration Statement and the Prospectus, the choice of law provision set forth in this Agreement constitutes a legal and valid choice of law under the laws of the State of Nevada and the State of New York and will be honored by courts in the State of Nevada and the State of New York subject to compliance with relevant civil procedural requirements (that do not involve a re-examination of the merits of the claim). The Company has the power to submit, and pursuant to Section 14 of this Agreement, has legally, validly, effectively and submitted, to the personal jurisdiction of each of the New York Courts, and the Company has the power to designate, appoint and authorize, and pursuant to Section 14 of this Agreement, has legally, validly, effectively and irrevocably designated, appointed an authorized agent for service of process in any action arising out of or relating to this Agreement, or the Securities in any New York Court, and service of process effected on such authorized agent will be effective to confer valid personal jurisdiction over the Company as provided in Section 14 of this Agreement.

(gg) MD&A. The section entitled "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" in the Preliminary Prospectus included in the Disclosure Materials and the Prospectus accurately and fully describes in all material respects (i) accounting policies that the Company believes are the most important in the portrayal of the Company's financial condition and results of operations and that require management's most difficult, subjective or complex judgments ("**Critical Accounting Policies**"); (ii) judgments and uncertainties affecting the application of the Critical Accounting Policies; and (iii) the likelihood that materially different amounts would be reported under different conditions or using different assumptions and an explanation thereof; and the Company's management have reviewed and agreed with the selection, application and disclosure of the Critical Accounting Policies as described in the Disclosure Materials and the Prospectus and have consulted with its independent accountants with regard to such disclosure.

(hh) Scheme or Arrangement with Shareholders. Neither the Company nor any of its affiliate is a party to any scheme or arrangement through which shareholders or potential shareholders are being loaned, given or otherwise having money made available for the purchase of shares whether before, in or after the Offering. Neither the Company nor any of its affiliate is aware of any such scheme or arrangement, regardless of whether it is a party to a formal agreement.

3. Offering. Upon authorization of the release of the Securities by the Underwriters, the Underwriters propose to offer the Securities for sale to the public upon the terms and conditions set forth in the Prospectus.

4. Covenants of the Company. The Company acknowledges, covenants and agrees with the Underwriters that:

(a) The Registration Statement and any amendments thereto have been declared effective, and if Rule 430A is used or the filing of the Prospectus is otherwise required under Rule 424(b), the Company will file the Prospectus (properly completed if Rule 430A has been used) pursuant to Rule 424(b) within the prescribed time period and will provide evidence satisfactory to the Underwriters of such timely filing.

(b) During the period beginning on the date hereof and ending on the later of the Closing Date or such date as, in the reasonable opinion of Underwriters' Counsel, the Prospectus is no longer required by law to be delivered (or in lieu thereof the notice referred to in Rule 173(a) under the Act is no longer required to be provided) in connection with sales by an underwriter or dealer (the "**Prospectus Delivery Period**"), prior to amending or supplementing the Registration Statement, the Disclosure Materials or the Prospectus, the Company shall furnish to the Underwriters and Underwriters' Counsel for review a copy of each such proposed amendment or supplement, and the Company shall not file any such proposed amendment or supplement to which the Underwriters reasonably object within 36 hours of delivery thereof to Underwriters' Counsel.

(c) After the date of this Agreement, the Company shall promptly advise the Underwriters in writing of: (i) the receipt of any comments of, or requests for additional or supplemental information from, the Commission; (ii) the time and date of any filing of any post-effective amendment to the Registration Statement or any amendment or supplement to any prospectus, the Disclosure Materials or the Prospectus; (iii) the time and date that any post-effective amendment to the Registration Statement becomes effective; and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto or of any order preventing or suspending its use or the use of any prospectus, the Disclosure Materials, the Prospectus or any issuer free writing prospectus as defined in Rule 433 of the Regulations (the "**Issuer Free Writing Prospectus**"), or the initiation of any proceedings to remove, suspend or terminate from listing the Securities from any securities exchange upon which the Securities are listed for trading, or of the threatening of initiation of any proceedings for any of such purposes. If the Commission shall enter any such stop order at any time, the Company will use its reasonable efforts to obtain the lifting of such order at the earliest possible moment. Additionally, the Company agrees that it shall comply with the provisions of Rules 424(b), 430A and 430B, as applicable, under the Act and will use its reasonable efforts to confirm that any filings made by the Company under Rule 424(b) or Rule 433 were received in a timely manner by the Commission (without reliance on Rule 424(b)(8) or Rule 164(b)).

(d) (i) During the Prospectus Delivery Period, the Company will comply with all requirements imposed upon it by the Act, as now and hereafter amended, and by the Regulations, as from time to time in force, so far as necessary to permit the continuance of sales of or dealings in the Securities as contemplated by the provisions hereof, the Disclosure Materials, the Registration Statement and the Prospectus. If during such period any event or development occurs as a result of which the Prospectus (or if the Prospectus is not yet available to prospective purchasers, the Disclosure Materials) would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary or appropriate in the opinion of the Company or its counsel or the Underwriters or Underwriters' Counsel to amend the Registration Statement or supplement the Prospectus (or if the Prospectus is not yet available to prospective purchasers, the Disclosure Materials) to comply with the Act, the Company will promptly notify the Underwriters and will promptly amend the Registration Statement or supplement the Prospectus (or if the Prospectus is not yet available to prospective purchasers, the Disclosure Materials) or file such document (at the expense of the Company) so as to correct such statement or omission or effect such compliance.

(ii) If at any time following the issuance of an Issuer Free Writing Prospectus there occurs an event or development as a result of which such Issuer Free Writing Prospectus would conflict with the information contained in the Registration Statement or the Prospectus or would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances there existing, not misleading, the Company will promptly notify the Underwriters and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(e) The Company will deliver to the Underwriters and Underwriters' Counsel a copy of the Registration Statement, as initially filed, and all amendments thereto, including all consents and exhibits filed therewith, and will maintain in the Company's files manually signed copies of such documents for at least five (5) years after the date of filing thereof. The Company will promptly deliver to each of the Underwriters such number of copies of any Preliminary Prospectus, the Prospectus, the Registration Statement, and all amendments of and supplements to such documents, if any, and all documents which are exhibits to the Registration Statement and any Preliminary Prospectus or Prospectus or any amendment thereof or supplement thereto, as the Underwriters may reasonably request. Prior to 10:00 A.M., Eastern Time, on the Business Day next succeeding the date of this Agreement, and from time to time thereafter, the Company will furnish to the Underwriters copies of the Prospectus in such quantities as the Underwriters may reasonably request.

(f) The Company consents to the use and delivery of the Preliminary Prospectus by the Underwriters in accordance with Rule 430 and Section 5(b) of the Act.

(g) If the Company elects to rely on Rule 462(b) under the Act, the Company shall both file a Rule 462(b) Registration Statement with the Commission in compliance with Rule 462(b) by the earlier of: (i) 10:00 P.M., Eastern time, on the date of this Agreement, and (ii) the time that confirmations are given or sent, as specified by Rule 462(b)(2), and pay the applicable fees in accordance with Rule 111 of the Act.

(h) The Company will use its reasonable best efforts, in cooperation with the Underwriters, at or prior to the time of effectiveness of the Registration Statement, to qualify the Securities for offering and sale under the securities laws relating to the offering or sale of the Securities of such jurisdictions as the Underwriters may designate and to maintain such qualifications in effect for so long as required for the distribution thereof; except that in no event shall the Company be obligated in connection therewith to qualify as a foreign corporation or to execute a general consent to service of process or to subject itself to taxation if it is otherwise not so subject.

(i) The Company will make generally available (which includes filings pursuant to the Exchange Act made publicly through the Electronic Data Gathering, Analysis and Retrieval ("EDGAR") system) to its security holders as soon as practicable, but in any event not later than 15 months after the end of the Company's current fiscal quarter, an earnings statement (which need not be audited) covering a 12-month period that shall satisfy the provisions of Section 11(a) of the Act and Rule 158 of the Regulations.

(j) *Reserved.*

(k) Following the Closing Date, any of the entities and individuals listed on Schedule B hereto (the "**Lock-Up Parties**"), without the prior written consent of the Underwriters, shall not sell or otherwise dispose of any securities of the Company, whether publicly or in a private placement, during their respective lock-up period in the lock-up agreements that are in effect. The Company will deliver to the Underwriters the agreements of the Lock-Up Parties to the foregoing effect prior to the Closing Date, which agreements shall be substantially in the form attached hereto as Annex IV.

(l) The Company will not issue press releases or engage in any other publicity without the Underwriters' prior written consent, for a period ending at 5:00 P.M., Eastern time, on the first Business Day following the forty-fifth (45th) day following the Closing Date, other than normal and customary releases issued in the ordinary course of the Company's business, or as required by law.

(m) The Company will apply the net proceeds from the sale of the Securities as set forth under the caption "Use of Proceeds" in the Prospectus. Without the prior written consent of the Underwriters, except as disclosed in the Registration Statement, the Disclosure Materials and the Prospectus, no proceeds of the Offering will be used to pay outstanding loans or to pay any accrued salaries or bonuses to any employees or former employees.

(n) The Company will use its reasonable best efforts to effect and maintain the listing of the Securities on the Nasdaq Capital Market for at least three (3) years after the Effective Date, unless such listing is terminated as a result of a transaction approved by the holders of a majority of the voting securities of the Company. The Company shall use its reasonable best efforts to maintain the effectiveness of the Registration Statement and a current Prospectus relating thereto for as long as the Representative's Warrants, as defined in Section 6(a)(v) of this Agreement, remain outstanding. During any period when the Company fails to have maintained an effective Registration Statement or a current Prospectus relating thereto and a holder of a Representative's Warrants desires to exercise such warrant and, in the opinion of counsel to the holder, Rule 144 is not available as an exemption from registration for the resale of the Warrant Shares, the Company shall promptly file a registration statement registering the resale of the Warrant Shares and use its reasonable best efforts to have it declared effective by the Commission within thirty (30) days.

(o) The Company will use its reasonable best efforts to do and perform all things required to be done or performed under this Agreement by the Company prior to the Closing Date, and to satisfy all conditions precedent to the delivery of the Securities.

(p) The Company will not take, and will cause its subsidiaries not to take, directly or indirectly, any action which constitutes or is designed to cause or result in, or which could reasonably be expected to constitute, cause or result in, the stabilization or manipulation of the price of any security to facilitate the sale or resale of any of the Securities.

(q) The Company shall cause to be prepared and delivered to the Underwriters, at its expense, within two (2) Business Days from the date of this Agreement, an Electronic Prospectus to be used by the Underwriters in connection with the Offering. As used herein, the term "Electronic Prospectus" means a form of prospectus, and any amendment or supplement thereto, that meets each of the following conditions: (i) it shall be encoded in an electronic format, satisfactory to the Underwriters, that may be transmitted electronically by the Underwriters to offerees and purchasers of the Securities for at least the period during which a Prospectus relating to the Securities is required to be delivered under the Act or the Exchange Act; (ii) it shall disclose the same information as the paper prospectus and prospectus filed pursuant to EDGAR, except to the extent that graphic and image material cannot be disseminated electronically, in which case such graphic and image material shall be replaced in the electronic prospectus with a fair and accurate narrative description or tabular representation of such material, as appropriate; and (iii) it shall be in or convertible into a paper format or an electronic format, satisfactory to the Underwriters, that will allow recipients thereof to store and have continuously ready access to the prospectus at any future time, without charge to such recipients (other than any fee charged for subscription to the Internet as a whole and for online time).

5. Representations and Warranties of the Underwriters.

The Underwriters represent and agree that, unless it obtains the prior written consent of the Company, they have not made and will not make any offer relating to the Securities that would constitute a "free writing prospectus," as defined in Rule 405 under the Act, required to be filed with the Commission; *provided* that the prior written consent of the parties hereto shall be deemed to have been given in respect of the free writing prospectuses. Any such free writing prospectus consented to by the Underwriters is herein referred to as a "Permitted Free Writing Prospectus." The Underwriters represent that they have treated or agree that they will treat each Permitted Free Writing Prospectus as an "issuer free writing prospectus," as defined in Rule 433, and have complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely Commission filing where required, legending and record keeping.

6. Consideration; Payment of Expenses.

(a) In consideration of the services to be provided for hereunder, the Company shall pay to the Underwriters or their respective designees their pro rata portion (based on the Securities purchased) of the following compensation with respect to the Securities which they are offering:

- (i) an underwriting discount equal to seven percent (7%) of the aggregate gross proceeds raised in the Offering;

(ii) a non-accountable expense allowance of one percent (1%) of the gross proceeds of the Offering;

(iii) an accountable expense allowance of up to \$200,000, including all reasonable fees and expenses of the underwriters' outside legal counsel; any reasonable costs and expenses incurred in conducting background checks of the Company's officers and directors by a background search firm acceptable to the Underwriters; and the costs associated with bound volumes and mementos in such quantities as the Underwriters may reasonably request;

(iv) a right of first refusal (the "**Right of First Refusal**"), exercisable at the sole discretion of the representative for twelve months from the Closing Date, to provide investment banking service to the Company on terms that are the same or more favorable to the Company comparing to terms offered to the Company by other underwriters or placement agents. For these purposes, the investment banking service includes, without limitation, (a) acting as leading manager for any underwritten public offering; (b) acting as exclusive placement agent, initial purchaser in connection with any private offering of securities of the Company and (c) acting as financial advisor in connection with any sale or other transfer by the Company, directly or indirectly, of a majority or controlling portion of its capital stock or assets to another entity, any purchase or other transfer by another entity, directly or indirectly, of a majority or controlling portion of the capital stock or assets of the Company, and any merger or consolidation of the Company with another entity. The Right of First Refusal shall be subject to FINRA Rule 5110(g)(5). The Company shall notify the Representative of its or its subsidiary's intention to pursue an investment banking service, including the material terms thereof, by providing written notice thereof by electronic mail or overnight courier service addressed to the Representative. If the Representative declines the terms of such investment banking service or fails to notify the Company of its intent to exercise its Right of First Refusal with respect to any investment banking services within fifteen (15) Business Days after the mailing of such written notice, then the Representative shall have no further claim or right with respect to the investment banking service. The Representative may elect, in its sole and absolute discretion, not to exercise its Right of First Refusal with respect to any investment banking services; provided that any such election, rejection, waiver or failure to respond or act, by the Representative shall not adversely affect the Representative's Right of First Refusal with respect to any other investment banking services during the twelve (12) month period agreed to above. The terms and conditions of any such engagements shall be set forth in separate agreements and may be subject to, among other things, satisfactory completion of due diligence by the Representative, market conditions, the absence of a material adverse change to the Company's business, financial condition and prospects, approval of the Representative's internal committee and any other conditions that the Representative may deem appropriate for transactions of such nature; and

(v) warrants to purchase a number of our shares equal to an aggregate of 5.0% of the total number of common stock sold in this offering (the "**Representative's Warrants**"), which will be issued in compliance with FINRA Rule 5110(g)(8). The Representative's Warrants will have an exercise price equal to 120% of the offering price of the common stock sold in this offering and may be exercised on a cashless basis. The Representative's Warrants are exercisable commencing from six months after the date of commencement of sales of the Offering and will expire five years after the issuance date. The Representative's Warrants provide for one demand registration of the sale of the underlying shares of common stock at the Company's expense, an additional demand registration at the warrant holders' expense and/or unlimited piggy-back registration rights at the Company's expense, so that they are registered in this registration statement. The demand registration rights and the unlimited piggyback registration rights will only be exercisable within five years from the commencement of the Offering. The Representative's Warrants and the common stock underlying the Representative's Warrants, have been deemed compensation by the Financial Industry Regulatory Authority, or FINRA, and are therefore subject to a 180-day lock-up pursuant to Rule 5110(g)(1) of FINRA. The Representative (or permitted assignees under the Rule) may not sell, transfer, assign, pledge or hypothecate the Representative's Warrants or the securities underlying the Representative's Warrants, nor will they engage in any hedging, short sale, derivative, put or call transaction that would result in the effective economic disposition of the Representative's Warrants or the underlying securities for a period of six months from the date of commencement of sales of this Offering, except to any FINRA member participating in the offering and their bona fide officers or partners. The Representative's Warrants will provide for adjustment in the number and price of such Representative's Warrants (and the common stock underlying such Representative's Warrants), but only to prevent dilution in the event of a forward or reverse stock split, stock dividend or similar recapitalization. Additionally, the Representative will not receive or accrue cash dividends prior to the exercise or conversion of the Representative's Warrants.

(b) The Underwriters reserve the right to reduce any item of compensation or adjust the terms thereof as specified herein in the event that a determination shall be made by FINRA to the effect that the Underwriters' aggregate compensation is in excess of FINRA Rules or that the terms thereof require adjustment.

(c) Whether or not the transactions contemplated by this Agreement, the Registration Statement and the Prospectus are consummated or this Agreement is terminated, the Company hereby agrees to pay all costs and expenses incident to the Offering, including the following:

(i) all expenses in connection with the preparation, printing, formatting for EDGAR and filing of the Registration Statement, any Preliminary Prospectus and the Prospectus and any and all amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers;

(ii) all fees and expenses in connection with filings with FINRA's Public Offering System;

(iii) all fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities under the Act and the Offering;

(iv) all reasonable expenses in connection with the qualifications of the Securities for offering and sale under state or foreign securities or blue sky laws;

(v) all fees and expenses in connection with listing the Securities on a national securities exchange;

(vi) all reasonable travel expenses of the Company's officers, directors and employees and any other expense of the Company incurred in connection with attending or hosting meetings with prospective purchasers of the Securities;

(vii) all the road show expenses incurred by the Company;

(viii) any stock transfer taxes or other taxes incurred in connection with this Agreement or the Offering;

(ix) the costs associated with book building, prospectus tracking and compliance software and the cost of preparing certificates representing the Securities;

(x) the cost and charges of any transfer agent or registrar for the Securities.

(d) It is understood, however, that except as provided in this Section 6, and Sections 8, 9 and 11(d) hereof, the Underwriters will pay all of their own costs and expenses. Notwithstanding anything to the contrary in this Section 6, in the event that this Agreement is terminated pursuant to Section 11(b) hereof, or subsequent to a Material Adverse Change, the Company will pay, less any advances previously paid, representing an advance to be applied towards the accountable expenses allowance (the "**Advances**"), all documented out-of-pocket expenses of the Underwriters (including but not limited to fees and disbursements of Underwriters' Counsel and reasonable and accountable travel) incurred in connection herewith which shall be limited to expenses which are actually incurred as allowed under FINRA Rule 5110 and in any event, the aggregate amount of such expenses to be reimbursed by the Company shall not exceed \$200,000, including the Advances. To the extent that the Underwriters' out-of-pocket expenses are less than the Advances, the Underwriters will return to the Company that portion of the Advances not offset by actual expenses.

7. Conditions of Underwriters' Obligations. The obligations of the Underwriters to purchase and pay for the Firm Shares as provided herein shall be subject to: (i) the accuracy of the representations and warranties of the Company herein contained, as of the date hereof and as of the Closing Date, (ii) the absence from any certificates, opinions, written statements or letters furnished to the Underwriters or to Underwriters' Counsel pursuant to this Section 7 of any misstatement or omission, (iii) the performance by the Company of its obligations hereunder, and (iv) each of the following additional conditions. For purposes of this Section 7, the terms "Closing Date" and "Closing" shall refer to the Closing Date for the Firm Shares.

(a) The Registration Statement shall have become effective and all necessary regulatory and listing approvals shall have been received not later than 5:30 P.M., Eastern time, on the date of this Agreement, or at such later time and date as shall have been consented to in writing by the Underwriters. If the Company shall have elected to rely upon Rule 430A under the Act, the Prospectus shall have been filed with the Commission in a timely fashion in accordance with the terms thereof and a form of the Prospectus containing information relating to the description of the Securities and the method of distribution and similar matters shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period; and, at or prior to the Closing Date and the actual time of the Closing, no stop order suspending the effectiveness of the Registration Statement or any part thereof, or any amendment thereof, nor suspending or preventing the use of the Disclosure Materials, the Prospectus or any Issuer Free Writing Prospectus shall have been issued; no proceedings for the issuance of such an order shall have been initiated or threatened; all requests of the Commission for additional information (to be included in the Registration Statement, the Disclosure Materials, the Prospectus, any Issuer Free Writing Prospectus or otherwise) shall have been complied with to the Underwriters' satisfaction.

(b) The Underwriters shall not have reasonably determined, and advised the Company, that the Registration Statement, the Disclosure Materials or the Prospectus, or any amendment thereof or supplement thereto, or any Issuer Free Writing Prospectus, contains an untrue statement of fact which, in the Underwriters' reasonable opinion, is material, or omits to state a fact which, in the Underwriters' reasonable opinion, is material and is required to be stated therein or necessary to make the statements therein not misleading.

(c) The Underwriters shall have received, in form reasonably satisfactory to the Underwriters and Underwriters' counsel of (i) favorable legal opinions from Parsons Behle & Latimer, PC, Nevada counsel to the Company dated as of the Closing Date and addressed to the Underwriters and (ii) favorable legal opinions and negative assurance letter from Ellenoff Grossman & Schole LLP, U.S. legal counsel for the Company, dated as of the Closing Date and addressed to the Underwriters. A copy of such opinion shall have been provided to the Underwriters with consent from such counsel.

(d) The Underwriters shall have received certificates of each of the Chief Executive Officer and Chief Financial Officer of the Company (the "**Officers' Certificate**"), substantially in the form attached hereto as Annex I and dated as of the Closing Date, confirming, among other things, (i) the conditions set forth in subsection (a) of this Section 7 have been satisfied, (ii) as of the date hereof and as of the Closing Date, the representations and warranties of the Company set forth in Section 2 hereof are accurate, (iii) as of the Closing Date, all agreements, conditions and obligations of the Company to be performed or complied with hereunder on or prior thereto have been duly performed or complied with, (iv) the Company has not sustained any material loss or interference with its businesses, whether or not covered by insurance, or from any labor dispute or any legal or governmental proceeding, (v) there are no pro forma or as adjusted financial statements that are required to be included in the Registration Statement and the Prospectus pursuant to the Regulations which are not so included, (vi) subsequent to the respective dates as of which information is given in the Registration Statement and the Prospectus, there has not been any Material Adverse Change or any development involving a prospective Material Adverse Change, whether or not arising from transactions in the ordinary course of business, and (vii) any other matters reasonably requested by the Underwriters' Counsel.

(e) At each of the Closing Date, the Underwriters shall have received a certificate of the Company signed by the Secretary of the Company (the "**Secretary's Certificate**"), substantially in the form attached hereto as Annex II and dated the Closing Date, certifying, among other things, (i) that each of the Charter and Bylaws is true and complete, has not been modified and is in full force and effect; (ii) that the resolutions of the Company's Board of Directors relating to the Offering are in full force and effect and have not been modified; (iii) the good standing of the Company; (iv) as to the incumbency of the officers of the Company; and (v) any other matters reasonably requested by the Underwriters' Counsel. The documents referred to in such certificate shall be attached to such certificate.

(f) On the date of this Agreement and on the Closing Date, the Underwriters shall have received a "comfort" letter from Bush & Associates CPA (the "**Auditor Comfort Letter**") as of each such date, addressed to the Underwriters and in form and substance satisfactory to the Underwriters and Underwriters' Counsel, confirming that they are independent certified public accountants with respect to the Company within the meaning of the Act and all applicable Regulations, and stating, as of such date (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus, as of a date not more than five (5) days prior to such date), the conclusions and findings of such firm with respect to the financial information and other matters relating to the Registration Statement covered by such letter.

(g) On the date of this Agreement and on the Closing Date, the Company shall have furnished to the Representative, a certificate on behalf of the Company, dated the respective dates of delivery thereof and addressed to the Underwriters, of its Chief Financial Officer with respect to certain financial data contained in the Registration Statement and Prospectus (the “**CFO Certificate**”), providing “management comfort” with respect to such information, in form and substance reasonably satisfactory to the Representative, substantially in the form attached hereto as Annex III.

(h) Subsequent to the execution and delivery of this Agreement and prior to the Closing Date or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Prospectus (exclusive of any supplement thereto), there shall not have been any change in the capital stock or long-term debt of the Company or any change or development involving a change, whether or not arising from transactions in the ordinary course of business, in the business, condition (financial or otherwise), results of operations, shareholders’ equity, properties or prospects of the Company, taken as a whole, including but not limited to the occurrence of any fire, flood, storm, explosion, accident, act of war or terrorism or other calamity, the effect of which, in any such case described above, is, in the reasonable judgment of the Underwriters, so material and adverse as to make it impracticable or inadvisable to proceed with the sale of Securities or Offering as contemplated hereby.

(i) The Underwriters shall have received a lock-up agreement from each Lock-Up Party, duly executed by the applicable Lock-Up Party, in each case substantially in the form attached as Annex IV.

(j) The Securities are registered under the Exchange Act and, as of the Closing Date, the Securities shall be listed and admitted and authorized for trading on the Nasdaq Capital Market and satisfactory evidence of such action shall have been provided to the Underwriters. The Company shall have taken no action designed to terminate, or likely to have the effect of terminating, the registration of the Securities under the Exchange Act or delisting or suspending the Securities from trading on the Nasdaq Capital Market, nor will the Company have received any information suggesting that the Commission or the Nasdaq Capital Market is contemplating terminating such registration or listing. The Firm Shares shall be DTC eligible.

(k) FINRA shall have confirmed that it has not raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements.

(l) No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Securities; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Securities or materially and adversely affect or potentially materially and adversely affect the business or operations of the Company.

(m) The Company shall have furnished the Underwriters and Underwriters’ Counsel with such other certificates, opinions or documents as they may have reasonably requested.

8. Indemnification

(a) The Company agrees to indemnify and hold harmless (to the fullest extent permitted by applicable law) the Underwriters and each Person, if any, who controls the Underwriters within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, against any losses, liabilities, claims, damages and expenses whatsoever, as incurred (including but not limited to reasonable attorneys’ fees and any and all reasonable expenses whatsoever, incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation), joint or several, to which they or any of them may become subject under the Act, the Exchange Act or otherwise (including in settlement of any litigation if such settlement is effected with the written consent of the Company), insofar as such losses, liabilities, claims, damages or expenses (or actions in respect thereof) arise out of or are based upon: (i) an untrue statement or alleged untrue statement of a material fact contained in (A) the Registration Statement, including the information deemed to be a part of the Registration Statement at the time of effectiveness and at any subsequent time pursuant to Rules 430A and 430B of the Regulations, any Preliminary Prospectus, the Disclosure Materials, the Prospectus, or any amendment or supplement to any of them or (B) any Issuer Free Writing Prospectus or any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Securities (“**Marketing Materials**”), including any road show or investor presentations made to investors by the Company (whether in person or electronically), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading and will reimburse such indemnified party for any legal or other expenses reasonably incurred by it in connection with investigations or defending against such losses, liabilities, claims, damages or expenses (or actions in respect thereof); or (ii) in whole or in part upon any inaccuracy in the representations and warranties of the Company contained herein; or (iii) in whole or in part upon any failure of the Company to perform its obligations hereunder; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, liability, claim, damage or expense (or action in respect thereof) arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Disclosure Materials, the Prospectus, or any such amendment or supplement to any of them, or any Issuer Free Writing Prospectus or any Marketing Materials in reliance upon and in conformity with the Underwriters’ Information.

(b) The Underwriters agree to indemnify and hold harmless the Company, each of the directors of the Company, each of the officers of the Company who shall have signed the Registration Statement, and each other Person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, against any losses, liabilities, claims, damages and expenses whatsoever, as incurred (including but not limited to reasonable attorneys' fees and any and all reasonable expenses whatsoever, incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation), joint or several, to which they or any of them may become subject under the Act, the Exchange Act or otherwise (including in settlement of any litigation if such settlement is effected with the written consent of the Underwriters), insofar as such losses, liabilities, claims, damages or expenses (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, at the time of effectiveness and at any subsequent time pursuant to Rules 430A and 430B of the Regulations, any Preliminary Prospectus, the Disclosure Materials, the Prospectus, any amendment or supplement to any of them or any Marketing Materials, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse such indemnified party for any legal or other expenses reasonably incurred by it in connection with investigating or defending against such losses, liabilities, claims, damages or expenses (or actions in respect thereof), in each case to the extent, but only to the extent, that any such loss, liability, claim, damage or expense (or action in respect thereof) arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made in the Underwriters' Information.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of any claim or the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought in writing thereof (but the failure so to notify an indemnifying party shall not relieve the indemnifying party from any liability which it may have under this Section 8 to the extent that it is not materially prejudiced as a result thereof). In case any such claim or action is brought against any indemnified party, and it so notifies an indemnifying party thereof, the indemnifying party will be entitled to participate at its own expense in the defense of such action, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless: (i) the employment of such counsel shall have been authorized in writing by one of the indemnifying parties in connection with the defense of such action; (ii) the indemnifying parties have not employed counsel to have charge of the defense of such action within a reasonable time after notice of the claim or the commencement of the action; (iii) the indemnifying party does not diligently defend the action after assumption of the defense; or (iv) such indemnified party or parties shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party, or any of them, in conducting the defense of any such action or there may be legal defenses available to it or them which are different from or additional to those available to any of the indemnifying parties (in which case the indemnifying parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by the indemnifying parties and shall be paid as incurred. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) of the indemnified party or parties unless such separate representations are required under applicable ethics rules that govern the representations of the indemnified party or parties by such legal counsel. In the case of any separate firm for the Underwriters and such control persons and affiliates of any Underwriters, such firm shall be designated in writing by the Underwriters. In the case of more than one separate firm (in addition to any local counsel) for the Company, and such directors, officers and control persons of the Company, such firm shall be designated in writing by the Company. No indemnifying party shall, without the prior written consent of the indemnified parties, effect any settlement or compromise of, or consent to the entry of judgment with respect to, any pending or threatened claim, investigation, action or proceeding in respect of which indemnity or contribution may be or could have been sought by an indemnified party under this Section 8 or Section 9 hereof (whether or not the indemnified party is an actual or potential party thereto), unless (v) such settlement, compromise or judgment (A) includes an unconditional release of the indemnified party from all liability arising out of such claim, investigation, action or proceeding and (B) does not include a statement as to an admission of fault, culpability or any failure to act, by or on behalf of the indemnified party, and (vi) the indemnifying party confirms in writing its indemnification obligations hereunder with respect to such settlement, compromise or judgment.

9. Contribution. In order to provide for contribution in circumstances in which the indemnification provided for in Section 8 is for any reason held to be unavailable from any indemnifying party or is insufficient to hold harmless a party indemnified thereunder, the Company and the Underwriters shall contribute to the aggregate losses, claims, damages, liabilities and expenses of the nature contemplated by such indemnification provision (including any investigation, legal and other expenses incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claims asserted, but after deducting in the case of losses, claims, damages, liabilities and expenses suffered by the Company, any contribution received by the Company from Persons, other than the Underwriters, who may also be liable for contribution, including Persons who control the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, officers of the Company who signed the Registration Statement and directors of the Company), as incurred, to which the Company and one or more of the Underwriters may be subject, in such proportions as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the Offering and sale of the Securities or, if such allocation is not permitted by applicable law, in such proportions as are appropriate to reflect not only the relative benefits referred to above but also the relative fault of the Company and the Underwriters in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Underwriters shall be deemed to be in the same proportion as (i) the total proceeds from the Offering (net of underwriting discount and commission but before deducting expenses) received by the Company bears to (ii) the underwriting discount and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Company and the Underwriters shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 9. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 9 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any judicial, regulatory or other legal or governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding the provisions of this Section 9: (iii) no Underwriter shall be required to contribute any amount in excess of the underwriting discounts applicable to the Securities underwritten by it and distributed to the public and (iv) no Person guilty of fraudulent misrepresentation (within the meaning of Section 12(f) of the Act) shall be entitled to contribution from any Person who was not guilty of fraudulent misrepresentation (within the meaning of Section 12(f) of the Act). For purposes of this Section 9, each Person, if any, who controls an Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as such Underwriter, and each Person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to clauses (iii) and (iv) of the immediately preceding sentence. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties, notify each party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 9 or otherwise. As used herein, a "Person" refers to an individual or entity.

10. Survival of Representations and Agreements. All representations, warranties, covenants and agreements of the Company and the Underwriters contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto, including, without limitation, the agreements contained in Sections 6, 14 and 15, the indemnity agreements contained in Section 8 and the contribution agreements contained in Section 9, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriters or any controlling Person thereof or by or on behalf of the Company, any of its officers or directors or any controlling Person thereof, and shall survive delivery of and payment for the Securities to and by the Underwriters. The representations and warranties contained in Section 2 and the covenants and agreements contained in Sections 4, 6, 8, 9, 14 and 15 shall survive any termination of this Agreement, including termination pursuant to Sections 11. For the avoidance of doubt, in the event of termination the Underwriters will receive only out-of-pocket accountable expenses actually incurred subject to the limit in Section 11(d), below, in compliance with FINRA Rules 5110(g)(5)(A), 5110(g)(5)(B)(i) and 5110(g)(5)(B)(ii).

11. Effective Date of Agreement; Termination; Defaulting Underwriters.

(a) This Agreement shall become effective upon the later of: (i) receipt by the Underwriters and the Company of notification of the effectiveness of the Registration Statement or (ii) the execution of this Agreement.

(b) The Underwriters shall have the right to terminate this Agreement at any time prior to the consummation of the Closing if: (i) any domestic or international event or act or occurrence has materially disrupted, or in the reasonable opinion of the Underwriters will in the immediate future materially disrupt, the market for the Company's securities or securities in general; or (ii) trading on the New York Stock Exchange or the Nasdaq Stock Market has been suspended or made subject to material limitations, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices for securities have been required, on the NYSE Euronext or the Nasdaq Stock Market or by order of the Commission, FINRA or any other governmental authority having jurisdiction; or (iii) a banking moratorium has been declared by any state or federal authority or any material disruption in commercial banking or securities settlement or clearance services has occurred; or (iv) (A) there has occurred any outbreak or escalation of hostilities or acts of terrorism involving the United States or there is a declaration of a national emergency or war by the United States or (B) there has been any other calamity or crisis or any change in political, financial or economic conditions, if the effect of any such event in (A) or (B), in the reasonable judgment of the Underwriters, is so material and adverse that such event makes it impracticable or inadvisable to proceed with the offering, sale and delivery of the Firm Shares on the terms and in the manner contemplated by the Prospectus.

(c) Any notice of termination pursuant to this Section 11 shall be in writing and delivered in accordance with Section 12.

(d) If, on the Closing Date or any Additional Closing Date, as the case may be, any one or more of the Underwriters shall fail or refuse to purchase the Securities that it has or they have agreed to purchase hereunder on such date, and the aggregate number of the Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth (10%) of the aggregate number of the Securities to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the number of Firm Shares set forth opposite their respective names in Schedule A bears to the aggregate number of Firm Shares set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Representative may specify, to purchase the Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date; provided that, in no event shall the number of Securities that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 11(d) by an amount in excess of one-ninth (1/9) of such number of Securities without the written consent of such Underwriter. If, on the Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Firm Shares and the aggregate number of Firm Shares with respect to which such default occurs is more than one-tenth (10%) of the aggregate number of Firm Shares to be purchased on such date, and arrangements satisfactory to the Representative and the Company for the purchase of such Firm Shares are not made within thirty six (36) hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company. In any such case, either the Representative or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Pricing Disclosure Package, in the Final Prospectus or in any other documents or arrangements may be effected. If, on an Additional Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Option Shares and the aggregate number of Option Shares with respect to which such default occurs is more than one-tenth (10%) of the aggregate number of Option Shares to be purchased on such Additional Closing Date, the non-defaulting Underwriters shall have the option to (i) terminate their obligation hereunder to purchase the Option Shares to be sold on such Additional Closing Date or (ii) purchase not less than the number of Option Shares that such non-defaulting Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

(e) If this Agreement shall be terminated pursuant to any of the provisions hereof (other than pursuant to Section 11(b) hereof), or if the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth herein is not satisfied or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof, the Company will, subject to demand by the Underwriters, reimburse the Underwriters for only those documented out-of-pocket expenses (including the reasonable fees and expenses of their counsel), actually incurred by the Underwriters in connection herewith as allowed under FINRA Rule 5110 less any amounts previously paid by the Company); *provided, however*; that all such expenses, including the costs and expenses set forth in Section 6(c) which were actually paid, shall not exceed accountable expenses actually incurred in the aggregate, including any advances.

13. Parties; Limitation of Relationship. This Agreement shall inure solely to the benefit of, and shall be binding upon, the Underwriters, the Company and the controlling Persons, directors, officers, employees and agents referred to in Sections 8 and 9 hereof, and their respective successors and assigns, and no other Person shall have or be construed to have any legal or equitable right, remedy or claim under or in respect of or by virtue of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and such Persons and their respective successors and assigns, and not for the benefit of any other Person. The term “successors and assigns” shall not include a purchaser, in its capacity as such, of Securities from the Underwriter.

14. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. Each of the parties hereto hereby submits to the exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in The City of New York (each, a “**New York Court**”) in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the parties hereto irrevocably waives any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in the New York Courts, and irrevocably waives and agrees not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum. The Company irrevocably appoints Cogency Global Inc. as its authorized agent (the “**Authorized Agent**”) in the Borough of Manhattan in The City of New York upon which process may be served in any such suit or proceeding, and agrees that service of process in any manner permitted by applicable law upon such agent shall be deemed in every respect effective service of process in any manner permitted by applicable law upon the Company in any such suit or proceeding. The Company further agrees to take any and all actions as may be necessary to maintain such designation and appointment of such agent in full force and effect for a period of three years from the date of this Agreement.

15. Entire Agreement. This Agreement, together with the schedules and annexes attached hereto and as the same may be amended from time to time in accordance with the terms hereof, contains the entire agreement among the parties hereto relating to the subject matter hereof and there are no other or further agreements outstanding not specifically mentioned herein. This Agreement supersedes any prior agreements or understandings among or between the parties hereto.

16. Severability. If any term or provision of this Agreement or the performance thereof shall be invalid or unenforceable to any extent, such invalidity or unenforceability shall not affect or render invalid or unenforceable any other provision of this Agreement and this Agreement shall be valid and enforceable to the fullest extent permitted by law.

17. Amendment. This Agreement may only be amended by a written instrument executed by each of the parties hereto.

18. Waiver, etc. The failure of any of the parties hereto to at any time enforce any of the provisions of this Agreement shall not be deemed or construed to be a waiver of any such provision, nor to in any way affect the validity of this Agreement or any provision hereof or the right of any of the parties hereto to thereafter enforce each and every provision of this Agreement. No waiver of any breach, non-compliance or non-fulfillment of any of the provisions of this Agreement shall be effective unless set forth in a written instrument executed by the party or parties against whom or which enforcement of such waiver may be sought; and no waiver of any such breach, non-compliance or non-fulfillment shall be construed or deemed to be a waiver of any other or subsequent breach, non-compliance or non-fulfillment. The parties to this Agreement hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal suit, action or proceeding arising out of or relating to this Agreement, the Registration Statement, the Disclosure Materials, the Prospectus, the offering of the Securities or the transactions contemplated hereby.

19. No Fiduciary Relationship. The Company hereby acknowledges that the Underwriters are acting solely as Underwriters in connection with the offering of the Company's Securities. The Company further acknowledges that the Underwriters are acting pursuant to a contractual relationship created solely by this Agreement entered into on an arm's-length basis and in no event do the parties intend that the Underwriters act or be responsible as a fiduciary to the Company, its management, shareholders, creditors or any other person in connection with any activity that the Underwriters may undertake or have undertaken in furtherance of the offering of the Company's Securities, either before or after the date hereof. The Underwriters hereby expressly disclaim any fiduciary or similar obligations to the Company, either in connection with the transactions contemplated by this Agreement or any matters leading up to such transactions, and the Company hereby confirms its understanding and agreement to that effect. The Company hereby further confirms its understanding that the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the Company with respect to the Offering contemplated hereby or the process leading thereto, including, without limitation, any negotiation related to the pricing of the Securities; and the Company has consulted its own legal and financial advisors to the extent it has deemed appropriate in connection with this Agreement and the Offering. SECOND AMENDED AND RESTATED**ARTICLES OF INCORPORATION
OF
RICHTECH ROBOTICS INC.****ARTICLE I.****Name**

The name of the corporation is Richtech Robotics Inc. (the "Corporation").

ARTICLE II.**Purpose and Powers**

The purpose of the Corporation is to engage in any lawful act or activity for which a corporation may be organized under the Nevada Revised Statutes ("NRS") Chapter 78 of the State of Nevada, as amended (the "ACT"), as the same exists or may hereafter be amended, other than the business of a trust company, savings and loan association, thrift company or corporation organized for the purpose of conducting a banking business.

ARTICLE III.**Capital Stock****(A) Authorized Capital Stock.**

The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is three hundred ten million (310,000,000) consisting of two separate classes, one hundred million (100,000,000) Class A and two hundred million (200,000,000) Class B, (collectively the "Common Stock") and ten million (10,000,000) shares of "blank check" preferred stock, par value \$0.0001 per share ("Preferred Stock"). Subject to (i) any rights of the holders of any series of Preferred Stock pursuant to a certificate of designation establishing such series of Preferred Stock in accordance with the ACT (a "Certificate of Designation") and (ii) any provision of the ACT requiring otherwise, the number of authorized shares of any of the Common Stock or Preferred Stock (or series thereof) may be increased or decreased (but not below the applicable number of shares thereof then outstanding) by the vote required by the holders of such shares of such Common Stock or Preferred Stock pursuant to the Company's bylaws (as may be further amended, restated, modified or supplemented from time to time, the "Bylaws").

Notwithstanding anything to the contrary contained herein, the rights and preferences of the Common Stock shall at all times be subject to the rights and preferences of the Preferred Stock as may be set forth in the Articles of Incorporation or one or more certificates of designations filed with the Secretary of State of the State of Nevada from time to time in accordance with the ACT and these Articles of Incorporation. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) from time to time by the affirmative vote of the holders of at least a majority of the voting power of the Corporation's then outstanding shares of capital stock entitled to vote thereon, voting together as a single class, irrespective of the provisions of NRS 78.2055 (or any successor provision thereto), and no vote of the holders of the Common Stock voting separately as a class or series shall be required therefor unless a vote of any such holder is required pursuant to these Articles of Incorporation.

(B) Common Stock.

The voting powers, designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions of the Common Stock, in addition to those set forth elsewhere herein, are as follows:

- (1) *Voting Rights.* Each holder of shares of Common Stock shall be entitled to vote at all meetings of the stockholders, and in the case of the Class A Common Stock to cast ten votes for each outstanding share of Class A Common Stock, and in the case of Class B Common Stock to cast one (1) vote for each share of Class B Common Stock held by such holder on all matters on which stockholders are entitled to vote generally. Notwithstanding the foregoing, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to these Articles of Incorporation (including any certificate of designation relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to these Articles of Incorporation or pursuant to the ACT.
- (2) *Dividends and Distributions.* Subject to the prior rights of the holders of all series of Preferred Stock at the time outstanding having prior rights or preferences as to dividends or other distributions, the holders of shares of Common Stock shall be entitled to receive, when and as declared by the Board of Directors, out of the assets or funds of the Corporation legally available therefor, such dividends and other distributions as may be declared from time to time by the Board of Directors and shall share equally on a per share basis in all such dividends and other distributions.
- (3) *Liquidation.* Subject to the prior rights of creditors of the Corporation, including without limitation the payment of expenses relating to any liquidation, dissolution or winding up of the Corporation, and the holders of all series of Preferred Stock at the time outstanding having prior rights as to distributions upon liquidation, dissolution or winding up of the Corporation, in the event of any liquidation, dissolution or winding up of the Corporation, either voluntary or involuntary, the holders of shares of Common Stock shall be entitled to receive their ratable and proportionate share of the remaining assets of the Corporation. A merger or consolidation of the Corporation with any other corporation or other entity, or a sale or conveyance of all or any part of the assets of the Corporation (which shall not in fact result in the liquidation of the Corporation and the distribution of assets to its stockholders) shall not be deemed to be a voluntary or involuntary liquidation, dissolution or winding up of the Corporation.
- (4) *Convertibility.* Each share of Class A Common Stock is convertible into one share of Class B Common Stock at any time at the option of the holder, but Class B Common Stock shall not be convertible into Class A Common Stock under any circumstances.

(C) Preferred Stock.

The Preferred Stock may be issued in one or more series. The Board of Directors is hereby authorized to issue the shares of Preferred Stock in such series and to fix from time to time before issuance the number of shares to be included in any such series and the designation, powers, preferences and relative participating, optional or other rights, if any, and the qualifications, limitations or restrictions thereof. The authority of the Board of Directors with respect to each such series will include, without limiting the generality of the foregoing, the determination of any or all of the following:

- (1) the number of shares of any series of Preferred Stock and the designation to distinguish the shares of such series from the shares of all other series of Preferred Stock;
- (2) the voting powers, if any, of holders of such series of Preferred Stock and whether such voting powers are full or limited in such series;
- (3) the redemption provisions, if any, applicable to such series of Preferred Stock, including the redemption price or prices to be paid;
- (4) whether dividends, if any, will be cumulative or noncumulative, the dividend rate of such series of Preferred Stock, and the dates and preferences of dividends on such series;
- (5) the rights of such series of Preferred Stock upon the voluntary or involuntary dissolution of, or upon any distribution of the assets of, the Company;
- (6) the provisions, if any, pursuant to which the shares of such series of Preferred Stock are convertible into, or exchangeable for, shares of any other class or classes or of any other series of the same or any other class or classes of stock, or any other security, of the Company or any other corporation or other entity, and the rates or other determinants of conversion or exchange applicable thereto;
- (7) the right, if any, to subscribe for or to purchase any securities of the Company or any other corporation or other entity;
- (8) the provisions, if any, of a sinking fund applicable to such series of Preferred Stock; and
- (9) any other relative, participating, optional, or other special powers, preferences or rights and qualifications, limitations, or restrictions thereof; all as may be determined from time to time by the Board or Directors and stated or expressed in the Certificate of Designation governing such series of Preferred Stock.

ARTICLE IV.

Board of Directors

(A) Powers of the Board of Directors.

Except as otherwise provided by the ACT, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(B) Number of Directors.

Subject to any rights of the holders of Preferred Stock to elect directors, the Board of Directors shall consist of one or more members, the exact number of which shall be fixed by, or in the manner provided in, the Corporation's Bylaws (as may be amended, restated, modified or supplemented from time to time, the "Bylaws").

(C) Classification of the Board of Directors.

The directors of the Corporation shall be and are divided into three (3) classes, designated Class I, Class II and Class III. Each class shall consist, as nearly as may be possible, of one-third (1/3) of the total number of directors constituting the entire Board of Directors. The Board of Directors have been assigned to such classes as of the effectiveness of the filing of the Second Amended and Restated Articles of Incorporation with the Secretary of State of the State of Nevada (the "Effective Time). Each then serving director as of the Effective Date and each director thereafter elected shall serve for a term ending on the date of the third annual meeting of stockholders following the annual meeting of stockholders at which such director was elected; provided that each director initially assigned to Class I shall serve for a term expiring at the Corporation's first annual meeting of stockholders held after such director's initial election; each director initially assigned to Class II shall serve for a term expiring at the Corporation's second annual meeting of stockholders held after such director's initial election; and each director initially assigned to Class III shall serve for a term expiring at the Corporation's third annual meeting of stockholders held after such director's initial election; provided further, that the term of each director shall continue until the election and qualification of his or her successor and be subject to his or her earlier death, disqualification, resignation or removal. If the number of such directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any such additional director of any class elected to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case shall a decrease in the number of directors remove or shorten the term of any incumbent directors. A director may resign at any time upon notice to the Corporation as provided in the Bylaws.

(D) Removal of Directors.

Any director or the entire Board of Directors may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 2/3%) of the total voting power of the outstanding shares of capital stock entitled to vote in the election of directors, voting together as a single class.

(E) Vacancies.

Except as otherwise required by law and subject to the rights of any series of Preferred Stock then outstanding, any vacancy on the Board of Directors, by reason of death, resignation, retirement, disqualification or removal or otherwise, and any newly created directorship that results from an increase in the number of directors, shall be filled only by a majority of the Board of Directors then in office, even if less than a quorum, or by a sole remaining director. Any director of any class elected to fill a vacancy resulting from an increase in the number of directors of such class shall hold office for a term that shall coincide with the remaining term of that class. Any director elected to fill a vacancy not resulting from an increase in the number of directors shall have the same remaining term as that of his or her predecessor.

(F) Powers and Authority.

In addition to the powers and authority expressly conferred upon them herein or by statute, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the ACT and these Articles of Incorporation.

ARTICLE V.

Stockholder Action

(A) Election of Directors.

Elections of directors need not be by written ballot except and to the extent provided in the Bylaws.

(B) Advance Notice.

Advance notice of nominations for the election of directors or proposals or other business to be considered by stockholders, which are made by any stockholder of the Corporation, shall be given in the manner and to the extent provided in the Bylaws.

ARTICLE VI.

Limitation of Director Liability; Indemnification

(A) Power to Indemnify in Actions, Suits or Proceedings other than those by or in the Right of the Corporation. Subject to Section C hereof and to the fullest extent permitted by the NRS, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.

(B) Power to Indemnify in Actions, Suits or Proceedings by or in the Right of the Corporation. Subject to Section C hereof and to the fullest extent permitted by the NRS, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court in which such action or suit was brought deem proper.

(C) Authorization of Indemnification. Any indemnification under this Article 6 (unless ordered by a court) shall be made by the Corporation only as permitted by the NRS and authorized in the specific case upon a determination that indemnification of the present or former director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section A or Section B, as the case may be. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by a majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the stockholders. Such determination shall be made, with respect to former directors and officers, by any person or persons having the authority to act on the matter on behalf of the Corporation. To the extent, however, that a present or former director or officer of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without the necessity of authorization in the specific case.

(D) Good Faith Defined. For purposes of any determination under Section C, a person shall be deemed to have acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe such person's conduct was unlawful, if such person's action is based on the records or books of account of the Corporation or another enterprise, or on information supplied to such person by the officers of the Corporation or another enterprise in the course of their duties, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports made to the Corporation or another enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The provisions of this Section D shall not be deemed to be exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in Section A or Section B, as the case may be.

(E) Indemnification by a Court. Notwithstanding any contrary determination in the specific case under Section C, and notwithstanding the absence of any determination thereunder, any director or officer may apply to any court of competent jurisdiction in the State of Nevada for indemnification to the extent otherwise permissible under Section A or Section B. The basis of such indemnification by a court shall be a determination by such court that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section A or Section B, as the case may be. Neither a contrary determination in the specific case under Section C nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the director or officer seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 7.5 shall be given to the Corporation promptly upon the filing of such application. If successful, in whole or in part, the director or officer seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

(F) Expenses Payable in Advance. Expenses (including attorneys' fees) incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article 6. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the Corporation deems appropriate.

(G) Nonexclusivity of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article 6 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Articles of Incorporation, these Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of the persons specified in Section A and Section B shall be made to the fullest extent permitted by law. The provisions of this Article 6 shall not be deemed to preclude the indemnification of any person who is not specified in Section A or Section B but whom the Corporation has the power or obligation to indemnify under the provisions of the NRS, or otherwise.

(H) Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power or the obligation to indemnify such person against such liability under the provisions of this Article 6.

(I) Certain Definitions. For purposes of this Article 6, references to "the Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors or officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article 6 with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.

The term "another enterprise" as used in this Article 6 shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which such person is or was serving at the request of the Corporation as a director, officer, employee or agent. For purposes of this Article 6, references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Corporation" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director or officer with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the Corporation" as referred to in this Article 6.

(J) Survival of Indemnification and Advancement of Expenses. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article 6 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

(K) Limitation on Indemnification. Notwithstanding anything contained in this Article 6 to the contrary, except for proceedings to enforce rights to indemnification (which shall be governed by Section 7.5), the Corporation shall not be obligated to indemnify any director or officer (or his or her heirs, executors or personal or legal representatives) or advance expenses in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors.

(L) Indemnification of Employees and Agents. The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to the advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article 6 to directors and officers of the Corporation.

ARTICLE VII.

Amendment of Bylaws

In furtherance and not in limitation of the powers conferred upon it by the laws of the State of Nevada as subject to the power of the stockholders to adopt and amend the Bylaws, the Board of Directors shall have the power to adopt, amend, alter or repeal the Bylaws by the affirmative vote of a majority of the entire Board of Directors (assuming no vacancies on the Board of Directors).

ARTICLE VIII.

Amendment of Articles of Incorporation

The Corporation reserves the right to amend, alter, change or repeal any provision contained in these Articles of Incorporation in the manner now or hereafter prescribed in these Articles of Incorporation or the ACT, and all rights herein conferred upon stockholders are granted subject to such reservation.

ARTICLE IX.

Corporation Opportunity

In the event that a member of the Board of Directors who is not an employee of the Corporation or its subsidiaries, or any employee or agent of such member, other than someone who is an employee of the Corporation or its subsidiaries (collectively, the "Covered Persons"), acquires knowledge of any business opportunity matter, potential transaction, interest or other matter, unless such matter, transaction or interest is presented to, or acquired, created or developed by, or otherwise comes into the possession of, a Covered Person expressly and solely in connection with such individual's service as a member of the Board of Directors of the Corporation (a "Corporate Opportunity"), then the Corporation to the maximum extent permitted from time to time under the ACT (including NRS 78.070): (a) renounces any expectancy that such Covered Person offer an opportunity to participate in such Corporate Opportunity to the Corporation; and (b) waives any claim that such opportunity constituted a Corporate Opportunity that should have been presented by such Covered Person to the Corporation or any of its affiliates. No amendment or repeal of this paragraph shall apply to or have any effect on the liability or alleged liability of any officer, director or stockholder of the Corporation for or with respect to any opportunities of which such officer, director or stockholder becomes aware prior to such amendment or repeal.

ARTICLE X.

Forum Selection

Unless the Corporation consents in writing to the selection of an alternative forum, (A) (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any current or former director, officer, other employee or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the ACT, these Articles of Incorporation or the Bylaws (as either may be amended or restated) or as to which the ACT confers jurisdiction on the Second Judicial District Court, in and for the State of Nevada, located in Washoe County, Nevada or (iv) any action asserting a claim governed by the internal affairs doctrine of the law of the State of Nevada shall, to the fullest extent permitted by law, be exclusively brought in the Second Judicial District Court, in and for the State of Nevada, located in Washoe County, Nevada or, if such court does not have subject matter jurisdiction thereof, the federal district court of the State of Nevada; and (B) the federal district courts of the United States of America shall, to the fullest extent permitted by applicable law, be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, as amended. To the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring or holding any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to this Article X.

IN WITNESS WHEREOF, the Corporation has caused these Articles of Incorporation to be executed on its behalf this 17th day of November, 2023.

The Board, the Chief Executive Officer, or the Chairman may postpone, reschedule or cancel any previously scheduled annual meeting of stockholders, before or after the notice for such meeting has been sent to the stockholders.

2.3 Special Meetings. Special meetings of the stockholders for any purpose or purposes may be called at any time by a resolution adopted by any three or more directors, and may not be called by any other person or persons. The Board acting pursuant to a resolution may postpone, reschedule or cancel any previously scheduled special meeting of stockholders, before or after the notice for such meeting has been sent to the stockholders. Business transacted at any special meeting of stockholders shall be limited to matters relating to the purpose or purposes stated in the notice of meeting.

2.4 Notice. Whenever stockholders are required or permitted to take any action at a meeting, whether annual or special, a written notice of the meeting shall be given by the Corporation to each stockholder of record entitled to vote at such meeting as of the record date for determining the stockholders entitled to notice of such meeting. Such notice shall state the place, if any, date and hour of the meeting, the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, the record date for determining the stockholders entitled to vote at the meeting (if such date is different from the record date for stockholders entitled to notice of the meeting), and, in the case of a special meeting, the purpose or purposes for which the meeting was called. Unless otherwise required by law, the Articles of Incorporation or these Bylaws (as may be further amended, restated, modified or supplemented from time to time, these “Bylaws”), notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder of record entitled to notice of and to vote at such meeting. Without limiting the manner by which notice otherwise may be given to stockholders, any notice will be effective if given by a form of electronic transmission consented to (in a manner consistent with the ACT, as defined below) by the stockholder to whom the notice is given. If notice is given by mail, such notice will be deemed given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder’s address as it appears on the records of the Corporation. If notice is given by electronic transmission, such notice will be deemed given at the time specified in NRS 78.370.

2.5 Adjournments. Any meeting of stockholders, annual or special, whether or not a quorum is present, may be adjourned from time to time for any reason by either the chairman of the meeting, by a resolution adopted by the majority of the Board or in accordance with Section 2.6. Notwithstanding the provisions in Section 2.4 hereof, notice need not be given of any such adjourned meeting if the time, place, if any, and date of the meeting and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting and the record date for determining the stockholders entitled to vote at the meeting (if such date is different from the record date for determining stockholders entitled to notice of the meeting) are announced at the meeting at which the adjournment is taken; provided, however, that if the date of any adjourned meeting is more than thirty (30) days after the date for which the meeting was originally called or a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given in conformity with Section 2.4. At such adjourned meeting, any business may be transacted that might have been transacted at the original meeting if such meeting had been held as originally called.

2.6 Quorum. Unless otherwise required by applicable law or the Articles of Incorporation, the holders of one-third of the voting power of the outstanding shares of capital stock of the Corporation entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. If, however, such quorum shall not be present or represented at any meeting of the stockholders, then either the Chairman of the meeting or the stockholders entitled to vote thereon, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, in the manner provided in Section 2.5 hereof, until a quorum shall be present or represented. A quorum, once established, shall not be broken by the withdrawal of enough stockholders to leave less than a quorum.

2.7 Voting.

(a) Unless otherwise required by law or the Articles of Incorporation, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one (1) vote for each share of stock held by such stockholder which has voting power on all matters submitted to a vote of stockholders of the Corporation. Article III of the Articles of Incorporation provides that Class B Common Stock is entitled to ten (10) votes per share on all matters.

(b) Unless otherwise required by law, the Articles of Incorporation, these Bylaws, the rules or regulations of any stock exchange applicable to the Corporation, or any regulation applicable to the Corporation or its securities, (i) every matter brought before any meeting of the stockholders, other than the election of directors, shall be decided by the affirmative vote of the holders of a majority of the voting power of the shares of stock entitled to vote on such matter that are present in person or represented by proxy at the meeting and are voted for or against the matter, voting as a single class, and (ii) directors shall be elected by vote of the holders of a plurality of the votes cast. Notwithstanding the foregoing, two (2) or more classes or series of stock shall only vote together as a single class if and to the extent the holders thereof are entitled to vote together as a single class at a meeting. Where a separate vote by class is required, the vote of the holders of a majority in total voting power of each class of Corporation's outstanding capital stock represented at the meeting and entitled to vote on such matter and are voted for or against the matter shall be the act of such class, except as otherwise provided by law, the Articles of Incorporation or these Bylaws. The Board, in its discretion, or the Chairman of the Board, or the presiding officer of a meeting of the stockholders, in such person's discretion, may require that any votes cast (including election of directors) at such meeting shall be cast by written ballot.

2.8 Participation at Stockholder Meetings by Remote Communications. The Board may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication in accordance with Nevada Revised Statutes ("NRS") 78.320(4) and any applicable part of NRS Chapter 78 (the "ACT") or any successor provision. If authorized by the Board in its sole discretion, and subject to such guidelines and procedures as the Board may adopt, stockholders and proxyholders not physically present at a meeting of stockholders may, by means of remote communication, (a) participate in a meeting of stockholders, and (b) be deemed present in person and vote at a meeting of stockholders, whether such meeting is to be held at a designated place or solely by remote communication, provided that (x) the Corporation may implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxyholder, (y) the Corporation may implement reasonable measures to provide such stockholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings, and (z) if any stockholder or proxyholder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

2.9 Proxies. Each stockholder entitled to vote at a meeting of stockholders has the right to do so either in person or by one (1) or more agents authorized by a proxy, which may be in the form of a telegram, cablegram or other means of electronic transmission, filed with the Secretary of the Corporation, but no such proxy shall be voted or acted upon after six (6) months from its date, unless the proxy provides for a longer period, which may not exceed seven (7) years. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by delivering an instrument in writing stating that the proxy is revoked or by filing another proxy bearing a later date with the Secretary of the Corporation.

2.10 Action By Written Consent of Stockholders. Unless otherwise restricted by the Articles of Incorporation, any action required or permitted to be taken at any annual or special meeting of the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered (by hand or by certified or registered mail, return receipt requested) to the Corporation by delivery to its registered office in the State of Nevada, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of minutes of stockholders are recorded.

2.11 Record Date.

(a) In order that the Corporation may determine the stockholders entitled to notice of any meeting of the stockholders or any adjournment thereof, the Board may fix a record date for the determination of the stockholders entitled to notice of any meeting or adjournment thereof. The record date so fixed shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of the stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for determination of stockholders entitled to notice of or to vote at the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights, or to exercise rights in respect of any change, conversion or exchange of stock or in respect of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall not be more than sixty (60) days prior to such action. If no such record date is fixed, the record date for determining the stockholders for any such purpose shall be at the close of business on the date on which the Board adopts the resolution relating thereto.

2.12 Stockholders' List. A complete list of the stockholders entitled to vote at any meeting of stockholders (provided, however, if the record date for determining the stockholders entitled to vote is less than ten (10) days before the date of the meeting, the list shall reflect the stockholders entitled to vote as of the tenth day before the meeting date), shall be prepared by the officer having charge of the stock ledger. Such list shall be open to examination by any stockholder, for any purpose germane to the meeting, for a period of at least ten (10) days before such meeting (a) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours at the principal place of business of the Corporation. If the meeting is to be held at a place, then a list of stockholders entitled to vote at the meeting shall be produced and kept at the time and place of the meeting during the whole time thereof and may be examined by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Except as otherwise provided by law, the stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list required by this Section 2.12 or to vote in person or by proxy at any meeting of stockholders.

2.13 Conduct of Meetings.

(a) The meetings of the stockholders shall be presided over by the Chairman of the Board, or if he or she is not present, by the Chief Executive Officer, or if neither the Chairman of the Board, nor the Chief Executive Officer is present, by a chairman elected by a resolution adopted by the majority of the Board.

(b) The Secretary will act as secretary of the meeting, but in the Secretary's absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

(c) The Board may adopt by resolution such rules, regulations and procedures for the conduct of any meeting of stockholders of the Corporation as it deems appropriate, including, without limitation, such guidelines and procedures as it may deem appropriate regarding the participation by means of remote communication of stockholders and proxyholders not physically present at a meeting. Except to the extent inconsistent with such rules, regulations and procedures as adopted by the Board, the chairman of any meeting of stockholders will have the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the chairman of the meeting, may include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as will be determined; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. The chairman of any meeting, in addition to making any other determinations that may be appropriate to the conduct of the meeting, will, if the facts warrant, determine and declare to the meeting that a matter or business was not properly brought before the meeting and, if the chairman should so determine, the chairman will so declare to the meeting and any such matter or business not properly brought before the meeting will not be transacted or considered. Unless and to the extent determined by the Board or the chairman of the meeting, meetings of stockholders will not be required to be held in accordance with the rules of parliamentary procedure.

(d) The chairman of the meeting will announce at the meeting when the polls for each matter to be voted upon at the meeting will be opened and closed. After the polls close, no ballots, proxies or votes or any revocations or changes thereto may be accepted.

(e) In advance of any meeting of stockholders, the Board will appoint one or more inspectors of election to act at the meeting or any adjournment thereof and make a written report thereof. One or more other persons may be designated as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is present, ready and willing to act at a meeting of stockholders, the chairman of the meeting will appoint one or more inspectors to act at the meeting. Unless otherwise required by law, inspectors may be officers, employees or agents of the Corporation. No person who is a candidate for an office at an election may serve as an inspector at such election.

2.14 Advance Notice of Stockholder Business and Director Nominations.

(a) *Annual Meetings of Stockholders.*

(1) Nominations of persons for election to the Board and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders only (i) pursuant to the Corporation's notice of meeting (or any supplement thereto) delivered pursuant to Section 2.4 and Article VI hereof (ii) by or at the direction of the Board or any duly authorized committee thereof, or (iii) by any stockholder of the Corporation who (x) is a stockholder of record at the time of delivery by the stockholder of the notice provided for in Section 2.14(a)(2) to the Secretary of the Corporation and at the time of the annual meeting, (y) who is entitled to vote at the meeting and upon such election, and (z) who complies with the notice procedures set forth in Section 2.14(a)(2); clause (iii) shall be the exclusive means for a stockholder to make nominations or submit other business (other than matters properly brought under Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and included in the Corporation's notice of meeting) before an annual meeting of stockholders. Except as otherwise required by law, any failure to comply with these procedures shall result in the nullification of such nomination or proposal. Notwithstanding the foregoing, if a stockholder is entitled to vote only for a specific class or category of directors at a meeting of the stockholders, such stockholder's right to nominate one (1) or more individuals for the election of a director at the meeting shall be limited to such class or category of directors.

(2) Without qualification, for any nominations or other business to be properly brought before an annual meeting of stockholders by a stockholder pursuant to clause (iii) of Section 2.14(a)(1), the stockholder must have given timely notice thereof, in proper written form as provided in Section 2.14(c), to the Secretary of the Corporation and any such proposed business (other than nominations of persons for the election to the Board) must constitute a proper matter for stockholder action under the ACT. To be timely, such a stockholder's notice shall be delivered to the Secretary at the principal executive office of the Corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary date of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced more than thirty (30) days prior to such anniversary date or delayed more than seventy (70) days after such anniversary date then to be timely such notice must be so delivered, or mailed and received, not later than the ninetieth (90th) day prior to such annual meeting or, if later, the tenth (10th) day following the day on which public announcement of the date of such annual meeting was first made. In no event shall the adjournment or postponement of any meeting, or any announcement thereof, commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. The number of nominees a stockholder may nominate for election at the annual meeting (or in the case of a stockholder giving the notice on behalf of a beneficial owner, the number of nominees a stockholder may nominate for election at the annual meeting on behalf of such beneficial owner) shall not exceed the number of directors to be elected at such annual meeting.

(b) *Special Meetings of Stockholders.* Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting delivered pursuant to Section 2.4 and Article VI hereof. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board or any duly authorized committee thereof or (2) provided that the Board has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who (x) is a stockholder of record at the time of delivery by the stockholder of the notice provided for in this Section 2.14(b) to the Secretary of the Corporation and at the time of the special meeting, (y) who is entitled to vote at the meeting and upon such election, and (z) who complies with the notice procedures set forth in this Section 2.14(b). In the event the Corporation calls a special meeting of stockholders for the purpose of electing one (1) or more directors to the Board, any such stockholder entitled to vote in such election of directors may nominate a person or persons for election to such position(s) as specified in the Corporation's notice of meeting, if the stockholder's notice, in proper written form as set forth in Section 2.14(c), shall be delivered to the Secretary at the principal executive office of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Notwithstanding the foregoing, if a stockholder is entitled to vote only for a specific class or category of directors at a special meeting of the stockholders, such stockholder's right to nominate one (1) or more individuals for the election of a director at the meeting shall be limited to such class or category of directors.

(c) *Form of Notice*. To be in proper written form, such stockholder's notice to the Secretary (whether pursuant to clauses (a)(2) or (b) of this Section 2.14) must set forth:

(1) as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director (i) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, (ii) such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected and (iii) a reasonably detailed description of any compensatory, payment or other financial agreement, arrangement or understanding that such person has with any other person or entity other than the Corporation including the amount of any payment or payments received or receivable thereunder, in each case in connection with candidacy or service as a director of the Corporation;

(2) as to any other business (other than the nomination of persons for election as directors) that the stockholder desires to bring before the meeting, (i) a brief description of the business proposed to be brought before the meeting, (ii) the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), (iii) the reasons why the stockholder favors the proposal, (iv) the reasons for conducting such business at the meeting, and (v) any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and

(3) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, (ii) the class or series and number of shares of the Corporation's capital stock that are, directly or indirectly, owned beneficially and of record by such stockholder and by such beneficial owner, (iii) a description of any agreement, arrangement or understanding with respect to the nomination or proposal between or among such stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing, including, in the case of a nomination, the nominee, (iv) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation, forwards, futures, swaps, or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice by, or on behalf of, such stockholder and such beneficial owner, whether or not such instrument or right shall be subject to settlement in underlying shares of capital stock of the Corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of such stockholder or such beneficial owner with respect to shares of capital stock of the Corporation, (v) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, (vi) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (A) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (B) otherwise to solicit proxies or votes from stockholders in support of such proposal or nomination, (vii) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder and (viii) such other information relating to any proposed item of business as the Corporation may reasonably require to determine whether such proposed item of business is a proper matter for stockholder action.

The foregoing notice requirements of this Section 2.14(c) shall be deemed satisfied by a stockholder with respect to business other than a nomination if the stockholder has notified the Corporation of his, her or its intention to present a proposal at an annual meeting in compliance with applicable rules and regulations promulgated under the Exchange Act and such stockholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting.

If requested by the Corporation, the information required under clauses (c)(3)(ii), (iii) and (iv) of this Section 2.14 shall be supplemented by such stockholder and any such beneficial owner not later than ten (10) days after the record date for the meeting to disclose such information as of the record date.

(d) *General.*

(1) The Corporation may require any proposed nominee for election or re-election as a director to furnish such other information, in addition to the information set forth in the stockholder's notice delivered pursuant to this Section 2.14, as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation and whether such nominee qualifies as an "independent director" or "audit committee financial expert" under applicable law, securities exchange rules or regulations, or any publicly-disclosed corporate governance guideline or committee charter of the Corporation.

(2) Except as otherwise expressly provided in any applicable rule or regulation promulgated under the Exchange Act, only such persons who are nominated in accordance with the procedures set forth in this Section 2.14 shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors, and only such business as shall have been brought before the meeting in accordance with the procedures set forth in this Section 2.14 shall be conducted at a meeting of stockholders. Except as otherwise provided by law, the chairman of the meeting shall have the power and duty to (i) determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 2.14 (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made or solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies or votes in support of such stockholder's nominee or proposal in compliance with such stockholder's representation as required by Section 2.14(c)(3)(vi), and, (ii) if any proposed nomination or business was not made or proposed in compliance with this Section 2.14, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 2.14, unless otherwise required by law, if the stockholder who has delivered a notice pursuant to this Section 2.14 (or a qualified representative of such stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. To be considered a "qualified representative" of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or by telegram, cablegram or other means of electronic transmission that is deemed valid in accordance with Section 2.9 hereof delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders, and such person must produce such writing or telegram, cablegram or electronic transmission, or a reliable reproduction of the writing or telegram, cablegram or electronic transmission, at the meeting of stockholders.

(3) For purposes of this Section 2.14, “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service, or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(4) Notwithstanding the foregoing provisions of this Section 2.14, stockholders shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 2.14; provided, however, that any references in these Bylaws to the Exchange Act or the rules promulgated thereunder are not intended to and shall not limit the requirements applicable to nominations or proposals as to any other business to be considered pursuant to clause (a)(1)(iii) or (b) of this Section 2.14. Nothing in this Section 2.14 shall be deemed to affect any rights (x) of stockholders to request inclusion of proposals or nominations in the Corporation’s proxy statement pursuant to Rule 14a-8 promulgated under the Exchange Act or (y) of the holders of any series of preferred stock to elect directors pursuant to any applicable provisions of the Articles of Incorporation.

(e) *Submission of Questionnaire, Representation and Agreement.* To be eligible to be a nominee for election or re-election as a director of the Corporation nominated by a stockholder pursuant to Section 2.14(a)(1)(iii), the candidate for nomination must deliver (in accordance with the time periods prescribed for delivery of notice under clauses (a)(2) or (b) of this Section 2.14, as applicable) to the Secretary at the principal executive office of the Corporation (1) a completed written questionnaire (in a form provided by the Corporation) with respect to the background, qualifications, stock ownership and independence of such person and the background of any other person or entity on whose behalf the nomination is being made (which questionnaire shall be provided by the Secretary upon written request) and (2) a written representation and agreement (in the form provided by the Secretary upon written request) that such person (1) is not and, if elected as a director during his or her term of office, will not become a party to (x) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question in his or her capacity as a director (a “Voting Commitment”) that has not been disclosed to the Corporation or (y) any Voting Commitment that could limit or interfere with such person’s ability to comply, if elected as a director of the Corporation, with such person’s fiduciary duties under applicable law, (2) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director of the Corporation that has not been disclosed therein and (3) in such person’s individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as a director of the Corporation, and will comply with all applicable publicly disclosed corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines of the Corporation (and, if requested by any candidate for nomination, the Secretary of the Corporation shall provide to such candidate for nomination all such policies and guidelines then in effect).

ARTICLE III

DIRECTORS

3.1 Powers and Duties. Subject to the provisions of the ACT and to any limitations in the Articles of Incorporation relating to action required to be approved by the stockholders, the business and affairs of the Corporation shall be managed, and all corporate powers shall be exercised, by or under the direction and control of the Board. The Board may delegate the management of the day-to-day operation of the business of the Corporation, provided that the business and affairs of the Corporation shall remain under the ultimate direction and control of the Board.

3.2 Number and Qualifications. The Board shall consist of one (1) or more members, the exact number of which shall be fixed from time to time by resolution of the Board, all of whom must be natural persons who are at least 18 years of age. Unless otherwise required by law or by the Articles of Incorporation, directors need not be stockholders of the Corporation or residents of the State of Nevada. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

3.3 Classified Board of Directors. The Board shall be divided into classes, with each such class serving for a term, as set forth in the Articles of Incorporation.

3.4 Resignations and Removals of Directors. Any director of the Corporation may resign from the Board or any committee thereof at any time, by giving notice in writing or by electronic transmission to the Chairman of the Board, the President or the Secretary of the Corporation and, in the case of a committee, to the chairman of such committee, if there be one and if there is no such chairman, to the Chairman of the Board. Such resignation shall take effect at the time therein specified (which may be upon the happening of an event specified therein) or, if no time is specified, immediately. Unless otherwise specified in such notice, the acceptance of such resignation shall not be necessary to make it effective. Except as otherwise required by law or the Articles of Incorporation and except for any director elected by the holders of any series or class of preferred stock provided for or fixed pursuant to the provisions of Article V of the Articles of Incorporation, any director or the entire Board may be removed from office at any time, but only for cause, and only by the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 2/3%) of the total voting power of the outstanding shares of capital stock of the Corporation entitled to vote in the election of directors, voting together as a single class. Unless otherwise provided by the charter of the committee, any director serving on a committee of the Board may be removed from such committee at any time by the Board.

3.5 Vacancies. Except as otherwise required by law or the Articles of Incorporation, any vacancy on the Board, by reason of death, resignation, retirement, disqualification or removal or otherwise, and any newly created directorship that results from an increase in the number of directors, shall be filled only by a majority of the Board then in office, even if less than a quorum, or by a sole remaining director. Any director of any class elected to fill a vacancy resulting from an increase in the number of directors of such class shall hold office for a term that shall coincide with the remaining term of that class. Any director elected to fill a vacancy not resulting from an increase in the number of directors shall have the same remaining term as that of his or her predecessor.

3.6 Regular Meetings. Regular meetings of the Board shall be held at such place or places, within or without the State of Nevada, on such date or dates and at such time or times, as shall have been established by the Board and publicized among all directors. A notice of each regular meeting shall not be required.

3.7 Special Meetings. Special meetings of the Board for any purpose or purposes may be called at any time by the Chairman of the Board, the Chief Executive Officer, if any, the President or any two (2) directors then in office. Notice of each such meeting shall be given to each director, if by mail, addressed to such director at his or her residence or usual place of business, at least five (5) days before the day on which such meeting is to be held, or shall be sent to such director at such place by facsimile, electronic mail or other electronic transmissions, or be delivered personally or by telephone, in each case at least twenty-four (24) hours prior to the time set for such meeting. A notice of special meeting need not state the purpose of such meeting, and, unless indicated in the notice thereof, any and all business may be transacted at a special meeting.

3.8 Organization. Meetings of the Board shall be presided over by the Chairman of the Board, or in his or her absence by the Vice Chairman of the Board, if any, or in his or her absence by the Chief Executive Officer, if any, if such person is a member of the Board, or in the absence of any such person, by a chairperson chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the chairperson of the meeting may appoint any person to act as secretary of the meeting.

3.9 Quorum. Except as otherwise required by law, these Bylaws or the Articles of Incorporation, at all meetings of the Board or any committee thereof, a majority of the entire Board or a majority of the directors constituting such committee, as the case may be, shall constitute a quorum for the transaction of business and the act of a majority of the directors or committee members present at any meeting at which there is a quorum shall be the act of the Board or such committee, as applicable. If a quorum shall not be present at any meeting of the Board or any committee thereof, a majority of the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting of the time and place of the adjourned meeting, until a quorum shall be present.

3.10 Action of the Board by Written Consent. Unless otherwise provided in the Articles of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all of the members of the Board or such committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board or such committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. After an action is taken, the consent or consents relating thereto shall be filed with the minutes of proceedings of the Board or such committee.

3.11 Expense Reimbursement and Compensation. Directors and members of committees may receive such compensation, if any, for their services and such reimbursement of expenses as may be fixed or determined by resolution of the Board. This Section 3.11 shall not be construed to preclude any director from serving the Corporation in any other capacity as an officer, agent, employee or otherwise and receiving compensation for those services.

3.12 Chairman and Vice Chairman of the Board. The Corporation shall have a Chairman of the Board and, at the Board's discretion, a Vice Chairman of the Board. Any such Chairman of the Board or Vice Chairman of the Board may be an officer of this Corporation as determined by the Board pursuant to Section 4.1. The Chairman of the Board shall preside at all meetings of the stockholders and of the Board and shall exercise and perform such other powers and duties as may be from time to time assigned to him or her by the Board or as may be prescribed by these Bylaws.

3.13 Committees.

(a) The Board may, by resolution, designate from among its members one (1) or more committees, each such committee to consist of one (1) or more of the directors of the Corporation, the exact number of which shall be fixed from time to time by resolution of the Board. The Board may designate one (1) or more directors as alternate members of any committee to replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members present at any meeting and not disqualified from voting, whether or not he, she or they constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board establishing such committee, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; provided, however, no such committee shall have the power or authority in reference to the following matters: (i) approving or adopting, or recommending to the stockholders, any action or matter (other than the election or removal of directors) expressly required by the ACT to be submitted to stockholders for approval, or (ii) adopting, amending or repealing any bylaw of the Corporation. All committees of the Board shall keep minutes of their meetings and shall report their proceedings to the Board when requested or required by the Board.

(b) Any committee of the Board may adopt such rules and regulations not inconsistent with the provisions of law, the Articles of Incorporation or these Bylaws for the conduct of its meetings as such committee may deem proper.

3.14 Telephonic Meetings. Unless otherwise restricted by the Articles of Incorporation or these Bylaws, members of the Board, or any committee designated by the Board, may participate in a meeting of the Board, or such committee, as the case may be, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

ARTICLE IV

OFFICERS

4.1 General. The officers of the Corporation shall be chosen by the Board and shall include a President, a Chief Executive Officer, a Treasurer, and a Secretary. The Board, in its discretion, may also appoint such additional officers as the Board may deem necessary or desirable, including a Chief Financial Officer, one (1) or more Vice Presidents, one (1) or more Assistant Vice Presidents, one (1) or more Assistant Secretaries, and one (1) or more Assistant Treasurers, each of whom shall hold office for such period, have such authority and perform such duties as the Board may from time to time determine. Subject to the rules or regulations of any stock exchange applicable to the Corporation or other applicable law, the Board may delegate to any officer of this Corporation or any committee of the Board the power to appoint, remove and prescribe the term and duties of any officer provided for in this Section 4.1. Any number of offices may be held by the same person, unless otherwise provided by the Articles of Incorporation or these Bylaws.

4.2 Appointment and Term. Each officer shall serve at the pleasure of the Board and shall hold office until such officer's successor has been appointed, or until such officer's earlier death, resignation or removal. Any officer may be removed, either with or without cause, by the Board or by any officer upon whom such power of removal may be conferred by the Board.

4.3 Resignations. An officer may resign from his or her position at any time, by giving notice in writing or electronic transmission to the Corporation. Such resignation shall be without prejudice to any rights, if any, the Corporation may have under any contract to which the officer is a party. Such resignation shall take effect at the time therein specified (which may be upon the happening of an event specified therein), or, if no time is specified, immediately; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.4 Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or otherwise shall be filled by the Board in the manner prescribed in these Bylaws for election or appointment to such office.

4.5 Compensation. The Board shall fix, or may appoint a committee to fix, the compensation of all officers of the Corporation appointed by the Board. Subject to the rules or regulations of any stock exchange applicable to the Corporation or other applicable law, the Board may authorize any officer upon whom the power to appoint officers may have been conferred pursuant to Section 4.1 to fix the compensation of such officers.

4.6 Authority and Duties of Officers. All officers of the Corporation shall respectively have such authority and perform such duties in the management of the business of the Corporation as may be provided herein or designated from time to time by the Board and, to the extent not so provided, as generally pertain to their respective offices, subject to the control of the Board.

ARTICLE V

STOCK

5.1 Certificates. The shares of the Corporation shall be represented by certificates, provided that the Board may provide by resolution or resolutions that some or all of any or all classes or series of the Corporation's stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Every holder of stock in the Corporation represented by certificates shall be entitled to have a certificate signed by, or in the name of, the Corporation by any two (2) authorized officers, representing the number of shares registered in certificate form. Any or all of the signatures on the certificate may be a facsimile signature. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issuance.

5.2 Transfers. Shares of stock of the Corporation shall be transferable upon the Corporation's books by the holders thereof, in person or by their duly authorized attorneys or legal representatives, upon surrender to the Corporation of the certificate or certificates representing such shares endorsed by the appropriate person or persons (or, with respect to uncertificated shares, by delivery of duly executed instructions or in any other manner permitted by applicable law). Certificates representing such shares, if any, shall be cancelled and new certificates, if the shares are to be certificated, shall thereupon be issued. Shares of capital stock of the Corporation that are not represented by a certificate shall be transferred in accordance with applicable law. A record shall be made of each transfer. Whenever any transfer of shares shall be made for collateral security, and not absolutely, it shall be so expressed in the entry of the transfer if, when the certificates are presented, both the transferor and transferee request the Corporation to do so. The Board shall have power and authority to make such rules and regulations as it may deem necessary or proper concerning the issue, transfer and registration of certificates for shares of stock of the Corporation.

5.3 Lost Stolen, or Destroyed Certificates. The Board may direct a new certificate or uncertificated shares be issued in place of any certificate theretofore issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issuance of a new certificate or uncertificated shares, the Board may, in its discretion, require the owner of such lost, stolen or destroyed certificate to give the Corporation a bond (or other adequate security) in such sum as it may direct as indemnity against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate or the issuance of such new certificate or uncertificated shares. The Board may adopt such other provisions and restrictions with reference to lost certificates, not inconsistent with applicable law, as it shall in its discretion deem appropriate.

5.4 Record Owners. The Corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise required by law.

ARTICLE VI

NOTICES

6.1 Notices.

(a) Whenever notice is required by law, the Articles of Incorporation or these Bylaws, to be given to any director, member of a committee or stockholder, such notice may be given by mail, addressed to such director, member of a committee or stockholder, at such person's address as it appears on the books of the Corporation or given by the stockholder for such purpose, with postage thereon prepaid, and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Notice may also be given personally or by facsimile, electronic mail or other means of electronic transmission in accordance with applicable law. Without limiting the foregoing, any notice to stockholders given by the Corporation pursuant to the ACT, the Articles of Incorporation or these Bylaws shall be effective if given by a form of electronic transmission consented to by the stockholder to whom the notice is given.

(b) Notice to a stockholder given by a form of electronic transmission in accordance with these Bylaws shall be deemed given: (i) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice; (ii) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (iii) if by a posting on an electronic network, together with separate notice to the stockholder of such specific posting, upon the later of such posting and the giving of such separate notice; and (iv) if by another form of electronic transmission, when directed to the stockholder. For purposes of these Bylaws, "electronic transmission" means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

(c) Any notice to stockholders given by the Corporation may be given by a single written notice to stockholders who share an address if consented to by the stockholders at such address to whom such notice is given. Any such consent shall be revocable by the stockholders by written notice to the Corporation. Any stockholder who fails to object in writing to the Corporation, within sixty (60) days of having been given written notice by the Corporation of its intention to send the single notice as set forth in this Section 6.1(c) shall be deemed to have consented to receiving such single written notice.

6.2 Waivers of Notice. Whenever any notice is required by applicable law, the Articles of Incorporation or these Bylaws, to be given to any director, member of a committee or stockholder, a waiver thereof in writing, signed by the person or persons entitled to notice, or a waiver thereof given by electronic transmission by the person or persons entitled to notice, in each case, whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting, present in person or represented by proxy, shall constitute a waiver of notice of such meeting, except where the person attends the meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any annual or special meeting of stockholders or any regular or special meeting of the directors or members of a committee of directors need be specified in any written waiver of notice unless so required by law, the Articles of Incorporation or these Bylaws.

ARTICLE VII

INDEMNIFICATION AND ADVANCEMENT OF EXPENSES

7.1 Indemnification and Insurance.

(a) Indemnification of Directors and Officers.

(i) For purposes of this Article, (A) “Indemnitee” means each director, officer, agent, or employee of the Corporation who was or is a party to, or is threatened to be made a party to, or is otherwise involved in, any Proceeding (as defined below), by reason of the fact that he or she is or was a director, officer or employee of the Corporation or is or was serving at the request of the Corporation as a director, officer, agent, or employee of, or in any other capacity for, another corporation, partnership, joint venture, limited liability company, trust, or other enterprise; and (B) “Proceeding” means any threatened, pending, or completed action, suit or proceeding (including, without limitation, an action, suit or proceeding by or in the right of the Corporation), whether civil, criminal, administrative, or investigative.

(ii) Each Indemnitee shall be indemnified and held harmless by the Corporation to the fullest extent permitted by the laws of the State of Nevada, against all expense, liability and loss (including, without limitation, attorneys’ fees, judgments, fines, taxes, penalties, and amounts paid or to be paid in settlement) reasonably incurred or suffered by the Indemnitee in connection with any Proceeding; provided that such Indemnitee either is not liable pursuant to NRS 78.138 or acted in good faith and in a manner such Indemnitee reasonably believed to be in or not opposed to the best interests of the Corporation and, with respect to any Proceeding that is criminal in nature, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any Proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the Indemnitee is liable pursuant to NRS 78.138 or did not act in good faith and in a manner in which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, or that, with respect to any criminal proceeding he or she had reasonable cause to believe that his or her conduct was unlawful. The Corporation shall not indemnify an Indemnitee for any claim, issue or matter as to which the Indemnitee has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Corporation or for any amounts paid in settlement to the Corporation, unless and only to the extent that the court in which the Proceeding was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the Indemnitee is fairly and reasonably entitled to indemnity for such amounts as the court deems proper. Except as so ordered by a court and for advancement of expenses pursuant to this Section, indemnification may not be made to or on behalf of an Indemnitee if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of law and was material to the cause of action. Notwithstanding anything to the contrary contained in these Bylaws, no director or officer may be indemnified for expenses incurred in defending any threatened, pending, or completed action, suit or proceeding (including without limitation, an action, suit or proceeding by or in the right of the Corporation), whether civil, criminal, administrative or investigative, that such director or officer incurred in his or her capacity as a stockholder.

(iii) Indemnification pursuant to this Section shall continue as to an Indemnitee who has ceased to be a director, officer, agent, or employee of the Corporation or member, manager or managing member of a predecessor limited liability company or affiliate of such limited liability company or a director, officer, employee, partner, member, manager or fiduciary of, or to serve in any other capacity for, another corporation or any partnership, joint venture, limited liability company, trust, or other enterprise and shall inure to the benefit of his or her heirs, executors and administrators.

(iv) The expenses of Indemnitees must be paid by the Corporation or through insurance purchased and maintained by the Corporation or through other financial arrangements made by the Corporation, as such expenses are incurred and in advance of the final disposition of the Proceeding, upon receipt of an undertaking by or on behalf of such Indemnitee to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Corporation. To the extent that an Indemnitee is successful on the merits or otherwise in defense of any Proceeding, or in the defense of any claim, issue or matter therein, the Corporation shall indemnify him or her against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

(b) Indemnification of Employees and Other Persons. The Corporation may, by action of the Board of Directors and to the extent provided in such action, indemnify employees, agents and other persons as though they were Indemnitees.

(c) Non-Exclusivity of Rights. The rights to indemnification provided in this Article shall not be exclusive of any other rights that any person may have or hereafter acquire under any statute, provision of the Articles of Incorporation or these Bylaws, agreement, vote of stockholders or directors, or otherwise.

(d) Insurance. The Corporation may purchase and maintain insurance or make other financial arrangements on behalf of any Indemnitee for any liability asserted against him or her and liability and expenses incurred by him or her in his or her capacity as a director, officer or employee, or arising out of his or her status as such, whether or not the Corporation has the authority to indemnify him or her against such liability and expenses.

(e) Other Financial Arrangements. The other financial arrangements which may be made by the Corporation may include, but are not limited to, the following (i) the creation of a trust fund; (ii) the establishment of a program of self-insurance; (iii) the securing of its obligation of indemnification by granting a security interest or other lien on any assets of the Corporation; and (iv) the establishment of a letter of credit, guarantee or surety. No financial arrangement made pursuant to this subsection may provide protection for a person adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable for intentional misconduct, fraud, or a knowing violation of law, except with respect to advancement of expenses or indemnification ordered by a court.

(f) Other Matters Relating to Insurance or Financial Arrangements. Any insurance or other financial arrangement made on behalf of a person pursuant to this Section 8.1 may be provided by the Corporation or any other person approved by the Board of Directors, even if all or part of the other person's stock or other securities is owned by the Corporation. In the absence of fraud, (i) the decision of the Board of Directors as to the propriety of the terms and conditions of any insurance or other financial arrangement made pursuant to this Section 8.1 and the choice of the person to provide the insurance or other financial arrangement is conclusive; and (ii) the insurance or other financial arrangement is not void or voidable and does not subject any director approving it to personal liability for his action; even if a director approving the insurance or other financial arrangement is a beneficiary of the insurance or other financial arrangement.

Section 8.2 Amendment. Notwithstanding any other provision of these Bylaws relating to their amendment generally, any repeal or amendment of this Article VII which is adverse to any Indemnitee shall apply to such Indemnitee only on a prospective basis, and shall not limit the rights of an Indemnitee to indemnification with respect to any action or failure to act occurring prior to the time of such repeal or amendment.

ARTICLE VIII

GENERAL PROVISIONS

8.1 Fiscal Year. The fiscal year of the Corporation shall be fixed by resolution of the Board.

8.2 Corporate Seal. The Corporation may adopt and may subsequently alter the corporate seal and it may use the same by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

8.3 Maintenance and Inspection of Records. The Corporation shall, either at its principal executive office or at such place or places as designated by the Board, keep a record of its stockholders listing their names and addresses and the number and class of shares held by each stockholder, a copy of these Bylaws as amended to date, accounting books and other records.

8.4 Reliance Upon Books, Reports and Records. Each director and each member of any committee designated by the Board shall, in the performance of his or her duties, be fully protected in relying in good faith upon the books of account or other records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of its officers or employees, or committees of the Board so designated, or by any other person as to matters which such director or committee member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation

8.5 Dividends. Subject to the requirements of the ACT and the provisions of the Articles of Incorporation, dividends on the capital stock of the Corporation may be declared by the Board at any regular or special meeting of the Board (or any action by written consent in lieu thereof in accordance with Section 3.11 hereof), and may be paid in cash, in property, or in shares of the Corporation's capital stock. Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for purchasing any of the shares of capital stock, warrants, rights, options, bonds, debentures, notes, scrip or other securities or evidences of indebtedness of the Corporation, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any proper purpose, and the Board may modify or abolish any such reserve. In the event that the Board declares a dividend on the capital stock of the Corporation pursuant to this Section 8.5, the Board may fix a record date in order that the Corporation may determine the stockholders entitled to receive payment of any dividend, which record date shall be fixed in accordance with Section 2.11(b).

8.6 Articles of Incorporation Governs. In the event of any conflict between the provisions of the Articles of Incorporation and these Bylaws, the provisions of the Articles of Incorporation shall govern.

8.7 Severability. Any determination that any provision of these Bylaws is for any reason inapplicable, illegal or ineffective shall not affect or invalidate any other provision of these Bylaws.

8.8 Actions with Respect to Securities of Other Entities. All stock and other securities of other entities owned or held by the Corporation for itself, or for other parties in any capacity, shall be voted (including by written consent), and all proxies with respect thereto shall be executed, by the person or persons authorized to do so by resolution of the Board or, in the absence of such authorization, by the President, Chief Executive Officer, Secretary or such other officer of the Corporation designated by the Board.

ARTICLE IX

AMENDMENTS

9.1 Amendments. These Bylaws may be altered, amended or repealed, in whole or in part, or new Bylaws may be adopted by the Board or by the stockholders as expressly provided in the Articles of Incorporation.

CLASS B COMMON STOCK PURCHASE WARRANT

For the Purchase of [] Class B Common Stock

of

RICHTECH ROBOTICS INC.

1. Purchase Warrant. THIS CLASS B COMMON STOCK PURCHASE WARRANT (this "**Purchase Warrant**") certifies that, pursuant to the Underwriting Agreement by and between Richtech Robotics Inc., a Nevada corporation (the "**Company**"), and R.F. Lafferty & Co., Inc. ("**R.F. Lafferty**"), dated November 16, 2023 (the "**Underwriting Agreement**"), R.F. Lafferty (in such capacity with its permitted successors or assigns, the "**Holder**"), as registered owner of this Purchase Warrant, is entitled, at any time or from time to time from May 21, 2024 (the "**Exercise Date**"), and at or before 5:00 p.m., Eastern time, November 21, 2028 (the "**Expiration Date**"), but not thereafter, to subscribe for, purchase and receive, in whole or in part, up to 26,250 shares of the Company's Class B common stock, par value \$0.00001 per share (the "**Shares**"), subject to adjustment as provided in Section 5 hereof. If the Expiration Date is a day on which banking institutions are authorized by law or executive order to close, then this Purchase Warrant may be exercised on the next succeeding day which is not such a day in accordance with the terms herein, provided, however, for clarification, that banking institutions shall not be deemed to be authorized or required by law or executive order to remain closed due to "stay at home", "shelter-in-place", "non-essential employee" or any other similar orders or restrictions or the closure of any physical branch locations at the direction of any governmental authority so long as the electronic funds transfer systems (including for wire transfers) of banking institutions in The City of New York generally are open for use by customers on such day. During the period commencing on the date hereof and ending on the Expiration Date, the Company agrees not to take any action that would terminate this Purchase Warrant. This Purchase Warrant is initially exercisable at \$6.00 per Share (120% of the price of the Shares sold in the Offering); provided, however, that upon the occurrence of any of the events specified in Section 5 hereof, the rights granted by this Purchase Warrant, including the exercise price per Share and the number of Shares to be received upon such exercise, shall be adjusted as therein specified. The term "**Exercise Price**" shall mean the initial exercise price or the adjusted exercise price, depending on the context. Any term not defined herein shall have the meaning ascribed thereto in the Underwriting Agreement.

2. Exercise.

2.1 Exercise Form. In order to exercise this Purchase Warrant, the exercise form attached hereto as Exhibit A (the "**Exercise Form**") must be duly executed and completed and delivered to the Company, together with this Purchase Warrant and payment of the Exercise Price for the Shares being purchased payable in cash by wire transfer of immediately available funds to an account designated by the Company or by certified check or official bank check to the order of the Company. If the subscription rights represented hereby shall not be exercised at or before 5:00 p.m., Eastern time, on the Expiration Date, this Purchase Warrant shall become and be void without further force or effect, and all rights represented hereby shall cease and expire.

2.2 Cashless Exercise. In lieu of exercising this Purchase Warrant by payment of cash or check payable to the order of the Company pursuant to Section 2.1 above, Holder may elect to receive the number of Shares equal to the value of this Purchase Warrant (or the portion thereof being exercised), by surrender of this Purchase Warrant to the Company, together with the Exercise Form, in which event the Company shall issue to Holder, Shares in accordance with the following formula:

$$X = \frac{Y(A - B)}{A}$$

Where, X = The number of Shares to be issued to Holder;

Y = The number of Shares that would be issuable upon exercise of this Purchase Warrant in accordance with the terms of this Purchase Warrant if such exercise were by means of a cash exercise rather than a cashless exercise;

A = The fair market value of one Share; and

B = The Exercise Price of this Purchase Warrant, as adjusted hereunder.

For purposes of this Section 2.2, the fair market value of a Share is defined as follows:

(i) if the Company's Class B common stock are traded on a securities exchange, the value shall be deemed to be the closing price on such exchange on the trading day immediately prior to the Exercise Form being submitted to the Company in connection with the exercise of this Purchase Warrant; or

(ii) if the Company's Class B common stock are actively traded over-the-counter, the value shall be deemed to be the closing bid price on the trading day immediately prior to the Exercise Form being submitted to the Company in connection with the exercise of the Purchase Warrant; if there is no active public market, the value shall be the fair market value thereof, as determined in good faith by the Company's Board of Directors.

(iii) if there is no market for the Class B common stock, the value shall be the fair market value thereof, as determined in good faith by the Company's Board of Directors.

2.3 Legend. Each certificate for the securities purchased under this Purchase Warrant shall bear a legend as follows unless such securities have been registered under the Securities Act of 1933, as amended (the "Act"):

"The securities represented by this certificate have not been registered under the Securities Act of 1933, as amended (the "Act"), or applicable state law. Neither the securities nor any interest therein may be offered for sale, sold or otherwise transferred except pursuant to an effective registration statement under the Act, or pursuant to an exemption from registration under the Act and applicable state law which, in the opinion of counsel to the Company, is available."

3. Transfer.

3.1 General Restrictions. The registered Holder of this Purchase Warrant agrees by his, her or its acceptance hereof, that such Holder will not for a period of six (6) months beginning on the date of commencement of sales of the Offering: (a) sell, transfer, assign, pledge or hypothecate this Purchase Warrant or the securities hereunder to anyone other than: (i) R.F. Lafferty or a selected dealer participating in the Offering contemplated by the Underwriting Agreement, or (ii) officers or partners of R.F. Lafferty, each of whom shall have agreed to the restrictions contained herein, in accordance with FINRA Rule 5110(e), or (b) cause this Purchase Warrant or the securities issuable hereunder to be the subject of any hedging, short sale, derivative, put or call transaction that would result in the effective economic disposition of this Purchase Warrant or the securities hereunder, except as provided for in FINRA Rule 5110(e)(2). The registered Holder of this Purchase Warrant will have the option to exercise their warrants at any time, provided that such shares are not transferred during the lock-up period; the six-month lock period will remain on these underlying shares. The registered Holder of this Purchase Warrant shall have the option to exercise, transferred or assign their warrants at any time from issuance but the six-month lock period shall remain in effect for the underlying shares. On and after that date that is six months after the date of commencement of sales of the Offering, transfers to others may be made subject to compliance with or exemptions from applicable securities laws. In order to make any permitted assignment, the Holder must deliver to the Company the assignment form attached hereto as Exhibit B duly executed and completed, together with this Purchase Warrant and payment of all transfer taxes, if any, payable in connection therewith. The Company shall, within five (5) Business Days, transfer this Purchase Warrant on the books of the Company and shall execute and deliver a new Purchase Warrant or Purchase Warrants of like tenor to the appropriate assignee(s) expressly evidencing the right to purchase the aggregate number of Shares purchasable hereunder or such portion of such number as shall be contemplated by any such assignment.

3.2 Restrictions Imposed by the Act. The securities evidenced by this Purchase Warrant shall not be transferred unless and until: (i) the Company has received the opinion of counsel for the Holder that the securities may be transferred pursuant to an exemption from registration under the Act and applicable state securities laws, the availability of which is established to the reasonable satisfaction of the Company, (ii) a Registration Statement relating to the offer and sale of such securities that includes a current prospectus has been filed and declared effective by the Securities and Exchange Commission (the “**Commission**”) and compliance with applicable state securities law has been established.

4. New Purchase Warrants to be Issued.

4.1 Partial Exercise or Transfer. Subject to the restrictions in Section 3 hereof, this Purchase Warrant may be exercised or assigned in whole or in part. In the event of the exercise or assignment hereof in part only, upon surrender of this Purchase Warrant for cancellation, together with the duly executed exercise or assignment form and funds sufficient to pay any Exercise Price and/or transfer tax if exercised pursuant to Section 2.1 hereof, the Company shall cause to be delivered to the Holder without charge a new Purchase Warrant of like tenor to this Purchase Warrant in the name of the Holder evidencing the right of the Holder to purchase the number of Shares purchasable hereunder as to which this Purchase Warrant has not been exercised or assigned.

4.2 Lost Certificate. Upon receipt by the Company of evidence satisfactory to it of the loss, theft, destruction or mutilation of this Purchase Warrant and of reasonably satisfactory indemnification or the posting of a bond, the Company shall execute and deliver a new Purchase Warrant of like tenor and date. Any such new Purchase Warrant executed and delivered as a result of such loss, theft, mutilation or destruction shall constitute a substitute contractual obligation on the part of the Company.

5. Adjustments.

5.1 Adjustments to Exercise Price and Number of Shares. The Exercise Price and the number of Shares underlying this Purchase Warrant shall be subject to adjustment from time to time as hereinafter set forth:

5.1.1 Share Dividends; Split Ups. If, after the date hereof, and subject to the provisions of Section 5.3 below, the number of outstanding Shares is increased by a stock dividend payable in Shares or by a split up of Shares or other similar event, then, on the effective day thereof, the number of Shares purchasable hereunder shall be increased in proportion to such increase in outstanding shares, and the Exercise Price shall be proportionately decreased.

5.1.2 Aggregation of Shares. If, after the date hereof, and subject to the provisions of Section 5.3 below, the number of outstanding Shares is decreased by a consolidation, combination or reclassification of Shares or other similar event, then, on the effective date thereof, the number of Shares purchasable hereunder shall be decreased in proportion to such decrease in outstanding shares, and the Exercise Price shall be proportionately increased.

5.1.3 Replacement of Shares upon Reorganization, etc. In case of any reclassification or reorganization of the outstanding Shares other than a change covered by Section 5.1.1 or Section 5.1.2 hereof or that solely affects the par value of such Shares, or in the case of any share reconstruction or amalgamation or consolidation of the Company with or into another corporation (other than a consolidation or share reconstruction or amalgamation in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding Shares), or in the case of any sale or conveyance to another corporation or entity of the property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the Holder of this Purchase Warrant shall have the right thereafter (until the expiration of the right of exercise of this Purchase Warrant) to receive upon the exercise hereof, for the same aggregate Exercise Price payable hereunder immediately prior to such event, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, share reconstruction or amalgamation, or consolidation, or upon a dissolution following any such sale or transfer, by a Holder of the number of Shares of the Company obtainable upon exercise of this Purchase Warrant immediately prior to such event; and if any reclassification also results in a change in Shares covered by Section 5.1.1 or Section 5.1.2, then such adjustment shall be made pursuant to Section 5.1.1, Section 5.1.2 and this Section 5.1.3. The provisions of this Section 5.1.3 shall similarly apply to successive reclassifications, reorganizations, share reconstructions or amalgamations, or consolidations, sales or other transfers.

5.1.4 Changes in Form of Purchase Warrant. This form of Purchase Warrant need not be changed because of any change pursuant to this Section 5.1, and Purchase Warrants issued after such change may state the same Exercise Price and the same number of Shares as are stated in the Purchase Warrants initially issued pursuant to this Agreement. The acceptance by any Holder of the issuance of new Purchase Warrants reflecting a required or permissive change shall not be deemed to waive any rights to an adjustment occurring after the date hereof or the computation thereof.

5.2 Substitute Purchase Warrant. In case of any consolidation of the Company with, or share reconstruction or amalgamation of the Company with or into, another corporation (other than a consolidation or share reconstruction or amalgamation which does not result in any reclassification or change of the outstanding Shares), the corporation formed by such consolidation or share reconstruction or amalgamation shall execute and deliver to the Holder a supplemental Purchase Warrant providing that the holder of each Purchase Warrant then outstanding or to be outstanding shall have the right thereafter (until the stated expiration of such Purchase Warrant) to receive, upon exercise of such Purchase Warrant, the kind and amount of shares of stock and other securities and property receivable upon such consolidation or share reconstruction or amalgamation, by a holder of the number of Shares of the Company for which such Purchase Warrant might have been exercised immediately prior to such consolidation, share reconstruction or amalgamation, sale or transfer. Such supplemental Purchase Warrant shall provide for adjustments which shall be identical to the adjustments provided for in this Section 5. The above provision of this Section 5 shall similarly apply to successive consolidations or share reconstructions or amalgamations.

5.3 Elimination of Fractional Interests. The Company shall not be required to issue certificates representing fractions of Shares upon the exercise of the Purchase Warrant, nor shall it be required to issue scrip or pay cash in lieu of any fractional interests, it being the intent of the parties that all fractional interests shall be eliminated by rounding any fraction up or down, as the case may be, to the nearest whole number of Shares or other securities, properties or rights.

6. Registration Rights. The Company has filed the Registration Statement with the Commission, which has been declared effective on Form S-1 (File No. 333-273628), and registers the underlying shares of the Purchase Warrant(s) granted to the Holder(s) in connection to the Offering, under the terms of the Underwriting Agreement.

6.1 Demand Registration.

6.1.1 Grant of Right. Unless all of the Registrable Securities (defined as below) are included in an effective registration statement with a current prospectus, the Company, upon written demand (“**Demand Notice**”) of the Holder(s) of at least 51% of the Representative’s Warrants and/or the underlying securities (“**Majority Holder(s)**”), agrees to register on one occasion, at the Company’s expense, all or any portion of the remaining Shares (collectively, the “**Registrable Securities**”) as requested by the Majority Holder(s) in the Demand Notice, provided that no such registration will be required unless the Holders request registration of an aggregate of at least 51% of the outstanding Registrable Securities. On such occasion, the Company will file a new registration statement or a post-effective amendment to the registration statement covering the Registrable Securities within sixty (60) days after receipt of the Demand Notice and use its best efforts to have such registration statement or post-effective amendment declared effective as soon as possible thereafter. An additional demand for registration may be made at the Holders’ expense. Each demand for registration may be made at any time after one (1) year from the date of effectiveness of the registration statement, but no later than five (5) years from the effective date of the Registration Statement. The Company covenants and agrees to give written notice of its receipt of any Demand Notice by any Holder(s) to all other registered Holders of the Representative’s Warrants and/or the Registrable Securities within ten (10) days from the date of the receipt of any such Demand Notice, who shall have five days from the receipt of such Notice in which to notify the Company of their desire to have their Registrable Securities included in the registration statement.

6.1.2 Terms. The Company shall bear all fees and expenses attendant to registering the Registrable Securities upon the first Demand Notice. All fees and expenses associated with registering the Registrable Securities upon the second Demand Notice shall be born by the Holder(s). The Company agrees to use its commercially reasonable efforts to qualify or register the Registrable Securities in such States as are reasonably requested by the Majority Holder(s); provided, however, that in no event shall the Company be required to register the Registrable Securities in a State in which such registration would cause (i) the Company to be obligated to qualify to do business in such State or execute a general consent to service of process, or would subject the Company to taxation as a foreign corporation doing business in such jurisdiction or (ii) the principal shareholders of the Company to be obligated to escrow their shares of capital stock of the Company. The Company shall cause any registration statement or post-effective amendment filed pursuant to the demand rights granted under Section 6.1.1 to remain effective for a period of twelve (12) consecutive months from the effective date of such registration statement or post-effective amendment or until the Holders have completed the distribution of the Registrable Securities included in the registration statement, whichever occurs first.

6.1.3. Deferred Filing. If (i) in the good faith judgment of the Board, filing a registration statement pursuant to Section 6.1 would be seriously detrimental to the Company and the Board concludes, as a result, that it is essential to defer the filing of such registration statement at such time, and (ii) the Company shall furnish to such Holders a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such registration statement to be filed in the near future and that it is, therefore, essential to defer the filing of such registration statement, then the Company shall have the right to defer such filing on two occasions for an aggregate of not more than one hundred and twenty (120) days in any twelve-month period.

6.1.4. No Cash Settlement Option. The Company is only required to use its reasonable best efforts to cause a registration statement covering issuance of the Registrable Securities underlying the Representative’s Warrant to be declared effective, and once effective, only to use its reasonable best efforts to maintain the effectiveness of the registration statement. The Company will not be obligated to deliver securities, and there are no contractual penalties for failure to deliver securities, if a registration statement is not effective at the time of exercise. Additionally, in no event is the Company obligated to settle any Representative’s Warrant, in whole or in part, for cash in the event it is unable to register the Registrable Securities.

6.2 “Piggy-Back” Registration.

6.2.1 Grant of Right. Unless all of the Registrable Securities are included in an effective registration statement with a current prospectus, the Holders of the Representative’s Warrants shall have the right for a period of not more than five (5) years from the date of effectiveness of the Registration Statement, to include the remaining Registrable Securities as part of any other registration of securities filed by the Company (other than in connection with a transaction contemplated by Rule 145(a) promulgated under the Act or pursuant to Form S-8 or any successor or equivalent form); provided, however, that if, in the written opinion of the Company’s managing underwriter or underwriters, if any, for such offering, the inclusion of the Registrable Securities, when added to the securities being registered by the Company or the selling shareholder(s), will exceed the maximum amount of the Company’s securities which can be marketed (i) at a price reasonably related to their then current market value, and (ii) without materially and adversely affecting the entire offering, then the Company will still be required to include the Registrable Securities, but may require the Holders to agree, in writing, to delay the sale of all or any portion of the Registrable Securities for a period of ninety (90) days from the effective date of the offering, provided, further, that if the sale of any Registrable Securities is so delayed, then the number of securities to be sold by all shareholders in such public offering shall be apportioned pro rata among all such selling shareholders, including all holders of the Registrable Securities, according to the total amount of securities of the Company owned by said selling shareholders, including all holders of the Registrable Securities.

6.2.2 Terms. The Company shall bear all fees and expenses attendant to registering the Registrable Securities. In the event of such a proposed registration, the Company shall furnish the then Holders of outstanding Registrable Securities with not less than fifteen (15) days written notice prior to the proposed date of filing of such registration statement. Such notice to the Holders shall continue to be given for each applicable registration statement filed (during the period in which the Representative’s Warrant is exercisable) by the Company until such time as all of the Registrable Securities have been registered and sold. The holders of the Registrable Securities shall exercise the “piggy back” rights provided for herein by giving written notice, within ten (10) business days of the receipt of the Company’s notice of its intention to file a registration statement. The Company shall use its best efforts to cause any registration statement filed pursuant to the above “piggyback” rights that does not relate to a firm commitment underwritten offering to remain effective for at least nine (9) consecutive months from the effective date of such registration statement or until the Holders have completed the distribution of the Registrable Securities in the registration statement, whichever occurs first.

7. Reservation and Listing. The Company shall at all times reserve and keep available out of its authorized Shares, solely for the purpose of issuance upon exercise of this Purchase Warrant, such number of Shares or other securities, properties or rights as shall be issuable upon the exercise thereof. The Company covenants and agrees that, upon exercise of this Purchase Warrant and payment of the Exercise Price therefor, in accordance with the terms hereby, all Shares and other securities issuable upon such exercise shall be duly and validly issued, fully paid and non-assessable and not subject to preemptive rights of any shareholder. As long as this Purchase Warrant shall be outstanding, the Company shall use its commercially reasonable efforts to cause all Shares issuable upon exercise of this Purchase Warrant to be listed (subject to official notice of issuance) on all national securities exchanges (or, if applicable, on the OTC Bulletin Board or any successor trading market) on which the Shares issued to the public in the Offering may then be listed and/or quoted.

8. Certain Notice Requirements.

8.1 Holder’s Right to Receive Notice. Nothing herein shall be construed as conferring upon the Holders the right to vote or consent or to receive notice as a shareholder for the election of directors or any other matter, or as having any rights whatsoever as a shareholder of the Company. If, however, at any time prior to the expiration of the Purchase Warrants and their exercise, any of the events described in Section 8.2 shall occur, then, in one or more of said events, the Company shall give written notice of such event at least fifteen (15) days prior to the date fixed as a record date or the date of closing the transfer books (the “**Notice Date**”) for the determination of the shareholders entitled to such dividend, distribution, conversion or exchange of securities or subscription rights, or entitled to vote on such proposed dissolution, liquidation, winding up or sale. Such notice shall specify such record date or the date of the closing of the transfer books, as the case may be. Notwithstanding the foregoing, the Company shall deliver to each Holder a copy of each notice given to the other shareholders of the Company at the same time and in the same manner that such notice is given to the shareholders.

8.2 Events Requiring Notice. The Company shall be required to give the notice described in this Section 8 upon one or more of the following events: (i) if the Company shall take a record of the holders of its Shares for the purpose of entitling them to receive a dividend or distribution payable otherwise than in cash, or a cash dividend or distribution payable otherwise than out of retained earnings, as indicated by the accounting treatment of such dividend or distribution on the books of the Company, (ii) the Company shall offer to all the holders of its Shares any additional shares of capital stock of the Company or securities convertible into or exchangeable for shares of capital stock of the Company, or any option, right or warrant to subscribe therefor, or (iii) a dissolution, liquidation or winding up of the Company (other than in connection with a consolidation or share reconstruction or amalgamation) or a sale of all or substantially all of its property, assets and business shall be proposed.

8.3 Notice of Change in Exercise Price. The Company shall, promptly after an event requiring a change in the Exercise Price pursuant to Section 5 hereof, send notice to the Holders of such event and change (“**Price Notice**”). The Price Notice shall describe the event causing the change and the method of calculating same and shall be certified as being true and accurate by the Company’s Chief Financial Officer.

8.4 Transmittal of Notices. All notices, requests, consents and other communications under this Purchase Warrant shall be in writing and shall be deemed to have been duly made (1) when hand delivered, (2) when mailed by express mail or private courier service, (3) if sent by electronic mail, on the day the notice was sent if during regular business hours and, if sent outside of regular business hours, on the following business day, or (4) when the event requiring notice is disclosed in all material respects and filed in a Current Report on Form 8-K prior to the Notice Date: (i) if to the registered Holder of the Purchase Warrant, to the address of such Holder as shown on the books of the Company, or (ii) if to the Company, to following address or to such other address as the Company may designate by notice to the Holders:

9. Miscellaneous.

9.1 Amendments. The Company and R.F. Lafferty may from time to time supplement or amend this Purchase Warrant without the approval of any of the Holders in order to cure any ambiguity, to correct or supplement any provision contained herein that may be defective or inconsistent with any other provisions herein, or to make any other provisions in regard to matters or questions arising hereunder that the Company and R.F. Lafferty may deem necessary or desirable and that the Company and R.F. Lafferty deem shall not adversely affect the interest of the Holders. All other modifications or amendments shall require the written consent of and be signed by the party against whom enforcement of the modification or amendment is sought.

9.2 Headings. The headings contained herein are for the sole purpose of convenience of reference, and shall not in any way limit or affect the meaning or interpretation of any of the terms or provisions of this Purchase Warrant.

9.3 Entire Agreement. This Purchase Warrant (together with the other agreements and documents being delivered pursuant to or in connection with this Purchase Warrant) constitutes the entire agreement of the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings of the parties, oral and written, with respect to the subject matter hereof.

9.4 Binding Effect. This Purchase Warrant shall inure solely to the benefit of and shall be binding upon, the Holder and the Company and their permitted assignees and respective successors and no other person shall have or be construed to have any legal or equitable right, remedy or claim under or in respect of or by virtue of this Purchase Warrant or any provisions herein contained.

9.5 Governing Law; Submission to Jurisdiction. This Purchase Warrant shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to conflict of laws principles thereof. Each of the Company and Holder hereby agrees that any action, proceeding or claim against it arising out of, or relating in any way to this Purchase Warrant shall be brought and enforced in the Borough of Manhattan in The City of New York (each, a “**New York Court**”), and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive. Each of the Company and Holder hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum. Any process or summons to be served upon the Company or the Holder may be served by transmitting a copy thereof by registered or certified mail, return receipt requested, postage prepaid, addressed to it at the address set forth in Section 8.4 hereof. Such mailing shall be deemed personal service and shall be legal and binding upon the Company in any action, proceeding or claim. The Company and the Holder agree that the prevailing party(ies) in any such action shall be entitled to recover from the other party(ies) all of its reasonable attorneys’ fees and expenses relating to such action or proceeding and/or incurred in connection with the preparation therefor.

9.6 Waiver, etc. The failure of the Company or the Holder to at any time enforce any of the provisions of this Purchase Warrant shall not be deemed or construed to be a waiver of any such provision, nor to in any way affect the validity of this Purchase Warrant or any provision hereof or the right of the Company or any Holder to thereafter enforce each and every provision of this Purchase Warrant. No waiver of any breach, non-compliance or non-fulfillment of any of the provisions of this Purchase Warrant shall be effective unless set forth in a written instrument executed by the party or parties against whom or which enforcement of such waiver is sought; and no waiver of any such breach, non-compliance or non-fulfillment shall be construed or deemed to be a waiver of any other or subsequent breach, non-compliance or non-fulfillment.

9.7 Exchange Agreement. As a condition of the Holder’s receipt and acceptance of this Purchase Warrant, Holder agrees that, at any time prior to the complete exercise of this Purchase Warrant by Holder, if the Company and R.F. Lafferty enter into an agreement (“**Exchange Agreement**”) pursuant to which they agree that all outstanding Purchase Warrants will be exchanged for securities or cash or a combination of both, then Holder shall agree to such exchange and become a party to the Exchange Agreement.

9.8 Execution in Counterparts. This Purchase Warrant may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement, and shall become effective when one or more counterparts has been signed by each of the parties hereto and delivered to each of the other parties hereto. Such counterparts may be delivered by facsimile transmission or other electronic transmission.

9.9 Restrictions. The Holder acknowledges that the Shares acquired upon the exercise of this Purchase Warrant, if not registered, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

9.10 Severability. Wherever possible, each provision of this Purchase Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Purchase Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Purchase Warrant.

AUDIT COMMITTEE CHARTER**OF****RICHTECH ROBOTICS INC.**

The responsibilities and powers of this Audit Committee (the “Committee”) as delegated by the Board of Directors (the “Board”) of Richtech Robotics Inc. (the “Company”) are set forth in this charter. Whenever the Committee takes an action, it shall exercise its independent judgment on an informed basis that the action is in the best interests of the Company and its stockholders.

I. PURPOSE

The Audit Committee is appointed by the Board of the Company to assist the Board in monitoring (1) the integrity of the annual, quarterly and other financial statements of the Company, (2) the independent auditor’s qualifications and independence, (3) the performance of the Company’s independent auditor and (4) the compliance by the Company with legal and regulatory requirements. The Audit Committee also shall review and approve all related-party transactions.

The Audit Committee shall prepare the Audit Committee report required by the rules of the Securities and Exchange Commission (the “Commission”) to be included in the Company’s annual proxy statement.

II. MEMBERSHIP

The Audit Committee shall consist of at least three members of the Board, absent a temporary vacancy, as determined from time to time by the Board. The Audit Committee shall meet the independent directors and audit committee requirements of the Nasdaq Capital Market and the independence and experience requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission.

The members of the Committee shall be appointed by the Board, at the first Board meeting practicable following the annual meeting of stockholders with changes allowed from time to time pursuant to the provisions below. Unless a chairman (the “Chairman”) is elected by the Board, the members of the Audit Committee shall designate a Chairman by majority vote of the full Audit Committee. The Chairman of the Audit Committee shall be a member of the Audit Committee and, if present, shall preside at each meeting of the Audit Committee. He or she shall advise and counsel with the executives of the Company and shall perform such other duties as may from time to time be assigned to him by the Audit Committee or the Board.

A Committee member may resign by delivering his or her written resignation to the Chairman of the Board, or may be removed by majority vote of the Board by delivery to such member of written notice of removal, to take effect at a date specified therein, or upon delivery of such written notice to such member if no date is specified.

Each member of the Audit Committee shall be financially literate and at least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting or other comparable experience or background which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities, as each such qualification is interpreted by the Board in its business judgment. At least one member of the Committee shall be an “audit committee financial expert” as such term is defined by the Commission.

III. MEETINGS AND COMMITTEE ACTION

The Committee shall meet at such times as it deems necessary to fulfill its responsibilities, but not less frequently than quarterly. Meetings of the Committee shall be called by the Chairman of the Committee or a majority of its members upon such notice as is provided for in the bylaws of the Company with respect to meetings of the Board. A majority of the members shall constitute a quorum. Actions of the Committee may be taken in person at a meeting or in writing without a meeting. Actions taken at a meeting, to be valid, shall require the approval of a majority of the members present and voting. Actions taken in writing, to be valid, shall be signed by all members of the Committee. The Committee shall report its minutes from each meeting to the Board.

Subject to the Company's Bylaws, the Committee may act by unanimous written consent of all members in lieu of a meeting. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore in the absence of the Chairman, and designation of a Secretary. At each meeting, the Chairman shall appoint as Secretary a person who may, but need not, be a member of the Committee. A certificate of the Secretary of the Committee or minutes of a meeting of the Committee executed by the Secretary setting forth the names of the members of the Committee present at the meeting or actions taken by the Committee at the meeting shall be sufficient evidence at all times as to the members of the Committee who were present, or such actions taken. The Committee minutes shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Chairman of the Committee may establish such rules as may from time to time be necessary or appropriate for the conduct of the business of the Committee. She or he shall be responsible for leadership of the Committee, including preparing the agenda which shall be circulated to the members prior to the meeting date, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board. Following each of its meetings, the Committee shall deliver a report on the meeting to the Board, including a description of all actions taken by the Committee at the meeting.

The Audit Committee shall meet periodically with management and the independent auditor in separate executive sessions. The Committee may ask members of management, employees, outside counsel, or others whose advice and counsel are relevant to the issues then being considered by the Committee to attend any meetings (or a portion thereof) and to provide such pertinent information as the Committee may request.

If at any time during the exercise of his or her duties on behalf of the Committee, a Committee member has a direct conflict of interest with respect to an issue subject to determination or recommendation by the Committee, such Committee member shall abstain from participation, discussion and resolution of the instant issue, and the remaining members of the Committee shall advise the Board of their recommendation on such issue. The Committee shall be able to make determinations and recommendations even if only one Committee member is free from conflicts of interest on a particular issue.

IV. COMMITTEE AUTHORITY AND RESPONSIBILITIES

In addition to such other duties as the Board may from time to time assign, the Committee shall have the sole authority to appoint or replace the independent auditor. The Audit Committee shall be directly responsible for determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Audit Committee.

The Audit Committee shall pre-approve all auditing services and permitted non-audit services to be performed for the Company by its independent auditor, including the fees and terms thereof (subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit). The Audit Committee may form and delegate authority to subcommittees of the Audit Committee consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as reasonably determined by the Audit Committee, for payment of compensation to (i) the independent auditor for the purpose of rendering or issuing an audit report and (ii) any advisors employed by the Audit Committee.

The Audit Committee shall discuss with the independent auditor its responsibilities under generally accepted auditing standards, review and approve the planned scope and timing of the independent auditor's annual audit plan(s) and discuss significant findings from the audit, including any problems or difficulties encountered.

The Audit Committee shall make regular reports to the Board. These reports shall include a review of any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the independence and performance of the Company's independent auditor, the performance of the internal audit function and any other matters that the Audit Committee deems appropriate or is requested by the Board. The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval. The Audit Committee annually shall review the Audit Committee's own performance.

The Audit Committee shall:

The responsibilities and powers of this Compensation Committee (the “Committee”) as delegated by the Board of Directors (the “Board”) of Richtech Robotics Inc. (the “Company”) are set forth in this charter. Whenever the Committee takes an action, it shall exercise its independent judgment on an informed basis that the action is in the best interests of the Company and its stockholders.

I. PURPOSE

The Compensation Committee is appointed by the Board of the Company for the purposes of, among other things, (1) discharging the Board’s responsibilities relating to the compensation of the Company’s executive officers, (2) administering or delegating the power to administer the Company’s incentive compensation and equity-based compensation plans and (3) if required by applicable rules and regulations, issuing a “Compensation Committee Report” to be included in the Company’s annual report on Form 10-K or proxy statement, as applicable.

II. MEMBERSHIP

The Committee shall consist of at least two members of the Board, absent a temporary vacancy, as determined from time to time by the Board. Each member shall be “independent” as such term is defined in the rules and regulations of the Nasdaq Stock Market (“Nasdaq”), except that the Committee may have as one of its members a “non-independent director” under exceptional and limited circumstances pursuant to the exemption under Rule 5605(d)(2)(B) of Nasdaq. If at any time the Committee includes a member who is not a “non-employee director” within the meaning of Rule 16b-3 under the Exchange Act, then a subcommittee comprised entirely of individuals who are “non-employee directors” may be formed by the Committee for the purpose of ratifying any grants of awards under any incentive or equity-based compensation plan for the purposes of complying with the exemption requirements of Rule 16b-3 of the Exchange Act or Section 162(m) of the Code; provided that any such grants shall not be contingent on such ratification.

Forward-Looking Statements

This press release and the prospectus contain forward-looking statements that involve risks and uncertainties. All statements other than statements of historical facts are forward-looking statements. You can identify these forward-looking statements by words or phrases such as “may,” “will,” “expect,” “anticipate,” “aim,” “estimate,” “intend,” “plan,” “believe,” “likely to” or other similar expressions. The Company has based these forward-looking statements largely on its current expectations about future events and financial trends that it believes may affect its financial condition, results of operations, business strategy and financial needs. These statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements to be materially different from those expressed or implied by the forward-looking statements. These risks and uncertainties include forward-looking statements include, but are not limited to, the risks and uncertainties described in “Cautionary Note Concerning Forward-Looking Statements;” “Risk Factors” and “Management’s Discussion and Analysis for Financial Condition and Results of Operations” and the documents that referred to in the prospectus with the understanding that the Company’s future results may be materially different from and worse than what we expect. Other sections of the prospectus include additional factors which could adversely impact our business and financial performance. Moreover, the Company operates in an evolving environment. New risk factors and uncertainties emerge from time to time and it is not possible for the Company’s our management to predict all risk factors and uncertainties, nor can the Company assess the impact of all factors on its business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. The Company and the Underwriters qualify all of the forward-looking statements by these cautionary statements.

The prospectus contains certain data and information obtained from various government and private publications. Statistical data in these publications also include projections based on a number of assumptions. The robotics industry may not grow at the rate projected by market data, or at all. Failure of this market to grow at the projected rate may have a material and adverse effect on the Company’s business and the market price of the shares of common stock. In addition, the rapidly evolving nature of this industry results in significant uncertainties for any projections or estimates relating to the growth prospects or future condition of the market. Furthermore, if any one or more of the assumptions underlying the market data are later found to be incorrect, actual results may differ from the projections based on these assumptions. You should not place undue reliance on these forward-looking statements.

You should not rely upon forward-looking statements as predictions of future events. The forward-looking statements made in the prospectus relate only to events or information as of the date on which the statements are made in the prospectus. Neither the Company nor the underwriters undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events except as required by law. You should read the prospectus and the documents that we refer to in the prospectus and have filed as exhibits to the registration statement, of which the prospectus is a part, completely and with the understanding that our actual future results may be materially different from what we expect.
